— "A paper for Antioch People printed in Antioch by Antioch People" —

10c PER COPY

ANTIOCH, ILLINOIS, THURSDAY, FEBRUARY 9, 1967

VOL. LXXXI. NUMBER 33

A boost for the project just started by personnel at the Antioch Post Office. Harold Gaston, business manager of the Antioch News, (left) presents a check for \$25.00 to Postmaster Joe Wolf (right) and Harry Brehm (center), to send soft drink flavoring to Antioch servicemen and women in Viet Nam.

Plan Project To Help Antioch Servicemen

Do you know someone serving in Viet Nam? A son, daughter, husband, perhaps? If you do, the folks who work at the Antioch Post Office would like to have his name and address. They'll send him some Kool-Aid, one of the items treasured by servicemen in Viet Nam.

The idea of doing this bit of service to the boys overseas came about because the post office personnel found that many relatives were mailing this product to servicemen in the war. In casual conversation with people as they weighed the packages, they were told how the boys requested the Kool-Aid.

Water in Viet Nam must have chemicals added to make it safe for drinking. It doesn't taste too good. So the boys have found that the sugared flavoring makes it more palatable. Hence the requests.

One mother quoted from her son's letter, "I just can't drink that much booze, and we often run out of pop. So how about sending some Kool-Aid that I can add to the water?"

Although the personnel at the Antioch Post Office had to obtain the permission of

Need Guard At AGS Crossing

Is there a retired man or woman who would like to spend a few hours a day supervising the school crossing at the Antioch Grade School? Mayor Ray Toft pointed out at Tuesday night's meeting of the village board that the crossing is often unguarded when police are called away on other work.

The snow is so high, the Mayor said, that the patrol boys can't see over it. An adult guard is badly needed.

The Mayor said he thought it would be a good job for some retired man or woman. The salary committee was instructed to draw up a salary schedule for the job.

It would only be necessary for the guard to be present in the morning and afternoon, when children were going to and leaving the school.

Promote Wells To Sergeant

Corporal John Wells of Antioch was recently promoted to the rank of sergeant. Wells' promotion, along with that of three other state policemen, was announced by Superintendent William H. Morris.

Wells has been a policeman for 16 years. He was officially commended by the American Legion and by his department for the apprehension of four dope addicts and robbers in 1964. He is assigned to District 2 headquarters in Elgin.

The Antioch Post of the American Legion gave Wells a citation and the American Legion Medal of Valor on Veterans' Day, 1966, for his courageous apprehension of two kidnapers and their victim on Sept. 30.

Tavern Owners To Install Officers

Installation of officers and approval of the Board of Directors will highlight the meeting of the Tavern Owners Association of Lake County Thursday at 3 p.m. at Don Hartman's Four Aces Lounge at Rte. 173, west of Antioch.

Slated for installation as president is Casimir (K) Serzynski, of Benton Township, who succeeds Art James of Rondout, as the head of the county-wide group.

Slim Bracher, of Libertyville, will be installed as sergeant-at-arms, along with Vice-president, Gil McCormick, of Lake Bluff, and Al Skokie, of North Chicago, the secretary-treasurer.

Following the business session during which Serzynski will outline some of the association goals for the coming year, a representative of the Lake County Health Department will discuss new department regulations and policies which affect the tavern and restaurant owners.

The first vacation Bible school for youngsters was opened in 1901 in New York City by Dr. Robert Boville of the Baptist City Mission.

The Antioch-Lake Forest basketball game, cancelled because of snow, has been re-scheduled for Saturday, Feb. 18.

The sophomore game will start at 7 p.m. at the Antioch gym. Varsity game about 8:30 p.m.

"Antigone" At PM&L Theatre

"Antigone" is opening this weekend at the PM&L Theatre and it promises to be an unforgettable experience for Antioch area theatre goers. This modern adaptation of the Greek tragedy by Sophocles will be given on February 10, 11, 17 and 18 at 8:30 p.m.

This play is a challenge to amateur theatre groups which few attempt. Palette, Masque and Lyre feels that the actors who bring this play to you under the direction of Don Beveroth of the Antioch High School English staff do an excellent interpretation of this tragedy.

The entire audience is invited to remain after the play for coffee, cookies, and conversation with the cast and director.

The cast of "Antigone" consists of Mavourneen Reardon, A. C. Ramsay, Steve Krotz, Carol Brandy, Bob Thomley, Valerie Hunley, George Wren, Josef Hunley, Dave Stringer, Steve Strang, Jay Horton, and Sue Bushnell.

Ticket reservations may be made by calling Mrs. Vivian Maplethorpe at 395-3613.

Errors In Donors To Rescue Squad

There were two errors in names of donors to the Antioch Rescue Squad Fund last week. Correct donors were the A & P Executive Committee and C. W. Noll.

Village Race Shaping Up

At the present time, it appears that Lloyd Murrie and Blaine Ring will run without opposition for re-election to the township posts of supervisor and road commissioner.

Next Monday, Feb. 13, is the last date for filing petitions of nomination for township offices.

In the race for Antioch village trustee, only one slate of candidates has filed petitions so far. That is the People's Party slate, made up of Irving Walsh, incumbent, Richard Radke and Richard Burnette.

However, several additional petitions have been taken

Board Discusses Raises, Benefits For Employees

Mayor Ray Toft praised the work of the Antioch Public Works Department in clearing streets during the recent heavy snows, at Tuesday

night's village board meeting. While the board discussed plans for better wages and fringe benefits for village employees.

"I think our street department has done a wonderful job," Toft said. "I've seen some of the other towns and ours looks wonderful in comparison."

Trustee David Nissen said that he thought the board should consider overtime pay for street employees who had put in long hours of work at no pay. Toft pointed out that, although he thought they deserved it, the police had often put in overtime hours without pay. "If we pay the street department employees, we'll have to pay the police," Toft said. "We just didn't appropriate for it. I think we should consider a sizeable pay increase for our employees instead. I think they'd rather have that. We can appropriate money for it, and each department head can give his men time off to make up for the overtime for now."

Trustees agreed that pay increases would have to be put into effect if they wished to keep their village employees and attract new ones.

Earlier, the board had heard details of a hospitalization plan for village employees from a representative of Prudential Insurance Co. The plan was based on participation of 14 employees.

Further discussion of the insurance was deferred to allow the insurance representative to get figures on a group plan for 25 employees and present them to Dave Nissen, chairman of the insurance committee for study.

Bernard Stadick and Donald Gaston asked that board approval be given to allow Antioch American Legion Post No. 748 to hold a carnival in the village parking lot from July 4 through 9.

Mayor Toft said complaints had been received from merchants last year that the carnival took up needed parking space. He asked the Legion to look for another site for the carnival.

It was pointed out that other sites would be unsuitable if it should rain, and that profits were higher if the carnival was held in the downtown area. Commander Bernard Stadick asked the board members if they aware that the carnival profits went to support various worthwhile causes, such as \$50 donation made by the Legion to the Antioch Grade School band, help to veterans in nearby hospitals, etc.

Mayor Toft said he was not questioning the fact that the money was put to good use, but he'd like to have the Legion find a different site. Board members concurred.

Mayor Ray Toft read a request, for approval of Doughtnut Day for the Salvation Army to be held Friday, June 9. Approval was given.

The board approved a request from village clerk Clarence Shultis to send shut-off notices to four delinquent accounts for village water.

Approval was given to allow Rainbow Girls, Antioch chapter, to sell candy in Antioch.

Trustee Vern Barnstable presented a request from Commonwealth Edison Co. for permission to allow them to install mercury vapor lights, replacing 173 incandescent lights, on village streets. The proposed lights, the company said, would give better lighting. Approval was given.

Village engineer Frank Angelotti presented plans for a new sewer and water line to service Hennings Court and St. Stephen's Lutheran Church building. The plans were turned over to the sewer and water committee for study. A special assessment for property to be serviced would be included in the plan.

The board approved an ordinance instituting two-hour parking in the lot west of Main St. The north side of the village parking lot on Broadway would have 12-hour parking.

Ladies Nite Next Sat.

Saturday, Feb. 18, is the day—Ladies Night at the Lions Club.

This much-anticipated annual event will start at 6:30 p.m. at Lorenz's with a cocktail hour. Dinner is at 8 p.m.

Jim Carlson will M.C. the program and the entertainment committee promises a big evening, full of surprises. Tickets can be purchased at the State Bank of Antioch, The First National Bank and the Antioch Savings & Loan.

Report Death of Former Resident

News has been received by Mrs. Helen Nelson of the death of a former Antioch resident, Mrs. John (Stella) Gaggin.

Mrs. Gaggin died last Friday, February 3, at the age of 93 at the Willowbrook Rest Home in Kenosha. Interment was in Wilmet Cemetery.

LICENSE REVOKED

The office of Secretary of State Paul Powell has announced that the driver's license of Duane L. Christensen, Rt. 2, Box 747B, Antioch, has been revoked on a charge of driving while intoxicated.

Beatriz Munoz Castro was Antioch's second guest in the AFS program. Here she is with Sue Turner, her "sister" during her stay here. Beatriz lived in the Turner home.

Party To Honor Foreign Student

The American Field Service is planning a gala evening in honor of Diana Maria Stagg, Antioch High School's Foreign Exchange student. An open invitation is extended to all in the Antioch High School area who are interested in the AFS program to attend a Deluxe Dessert Buffet at 7:00 p.m. on February 14 in the high school cafeteria. AFS is declaring Valentine Day as it's own AFS Day.

It is hoped that the community will show its support of the AFS program by coming out to this special event, and in this way become better acquainted with the program. "Delicious desserts and coffee will be served," announces President Mrs. Leslie Sorensen, "and an interesting program has been planned."

Mrs. Robert Jensen will serve as mistress of ceremonies. The high school stage band and swing choir will present several numbers. President Sorensen will explain the AFS program and will answer questions from the audience.

Rev. and Mrs. Harold Nelson from Lindenhurst, parents of our first exchange student, Masaji Okubo, and Mr. and Mrs. O. W. Turner, of Antioch, parents of Beatriz Munoz, last year's student, will be present and will read letters from these students.

Diana will say a few words and also answer questions. She has promised to sing a song in Spanish and will accompany herself on the guitar.

No admission will be charged, but there will be an opportunity for anyone who wishes to donate to the AFS fund now or at a later date. AFS banners are being made up by the student AFS club under the leadership of president Gary Strahan, and these banners will be given to all donors.

All those planning on attending the buffet should call Mrs. Robert Jensen (395-0539) or Mrs. Roy Nelson (395-1807) to make a reservation by Feb. 10.

Diana Maria Stagg

Masaji Okubo, first foreign student to attend Antioch High.

Display Marks Scout Week

February 7th to 13th is Boy Scout Week, the anniversary of Scouting. In addition to other activities to mark the anniversary, the Scouts have a display in the window of Barnstable's Department Store, and Cub Scout Pack 192 has a display in the display case in the north foyer of the State Bank of Antioch.

Pack 192 is sponsored by the bank. The display contains a variety of items in line with the Scouting program.

There are adult leader guides, which help leaders with no scouting experience. There are books the boys work from to earn their awards. Some items made by the boys at their weekly den meetings are in the display.

The flags displayed are used at monthly Pack meetings. The streamers attached to the Pack Flag represent awards given to the group for services performed in the Scouting program. Both the American Flag and the Pack Flag were donated to Pack 192 by the State Bank of Antioch.

Scouts, like the Indians, have learned much from the great outdoors on how to deal with nature, and do much toward conservation. A few articles featured show the tie between the Indians and Scouting.

Scout week is observed each year from Feb. 7 to 13. Scouters wear their uniforms to school and church throughout this week. Scouting is a world wide program, not just centered in the United States. The Scouting magazine shows pictures of Scouts in many countries. Anyone interested in joining

Cub Scout Pack 192 has this display at the State Bank of Antioch for Scout Week.

may call Cubmaster Joe Heilston, 395-1340.

Also on display are snapshots from previous years. Perhaps you will be able to identify some of the adults and children.

A Friendly Gesture

Community spirit is evidenced in many ways. A project being undertaken by the people who work at the Antioch Post Office is the kind that leaves a feeling of loyal warmth in the recipients. And, in fact, in the whole town.

Postal workers are sending soft drink flavoring to Antioch area servicemen or women serving in Viet Nam. Sounds like a small thing. But it can loom big to someone who day by day, hour after hour, must endure the physical discomforts of a strange, hot, underdeveloped country.

The physical discomforts become more unendurable when you're far from home, lonely, and none of this life of danger and physical misery is of your own choosing.

Our servicemen hear much of the protests at home against the war in Viet Nam. They hear little from the general public of their support of the war, and the boys who must fight it.

Sure, they get packages and letters from home. At least, most of them do. But at times it must seem to them that they are forgotten by everyone except their own family.

Just a few packages of flavoring may not seem like much to us. But when the card with it says "From the people of Antioch" it's a reminder that the people of Antioch know they're there; they've taken a little trouble to remember them, to send them some little thing to help.

Little things mean a lot. We hope no one boy from the Antioch area is missed. If you know of someone serving in Viet Nam, let the men handling this project know about it. Don't leave it for someone else to do.

Courthouse Notebook

BY LOU DURKIN

The announcement by Coroner Orville Clavey that former Waukegan Police Captain John Brake will be one of his deputy coroners removes one name from the list of men most prominently mentioned as possible appointees as Chief Deputy Sheriff.

The appointment, however, does not discourage speculation about Brake's political future and the future political plans of Coroner Clavey.

There have been efforts on the part of some state legislators to eliminate the office of Coroner or to establish qualifications which would restrict the office to members of the medical profession which, of course, would force Clavey to cast about for a new post.

If the legislature does not change the office Clavey will no doubt seek re-election in 1968 and release Brake to the Sheriff's office so he can run for Sheriff in 1970.

If the legislature does force Clavey to make a move it would seem logical that he would step in as chief aide to Sheriff Harold Scheskie and start his campaign for Sheriff leaving Brake to hold down the fort in the Coroner's office for the balance of the term.

The big news of the past two weeks has been the snow storm and the fine job accomplished by city, county, and township snow removal crews.

In almost every area the township road commissioners did good jobs in getting the roads open and this won't hurt those who are up for re-election in the April township elections.

Of course not all roads were plowed out at the same time and some of those who were far down on the schedule were inclined to complain and charge the delay to "politics," but the road crews were limited in manpower and equipment so some have to be first and some have to be last.

Monday is the deadline for filing nominating petitions for township office and this should serve to clarify the

political picture particularly as it regards the Lake County Board of Supervisors.

Antioch Township Supervisor Lloyd Murrie appears assured of re-election without opposition, but his chances of a second term as county board chairman will no doubt hinge on the outcome of elections in other townships.

A heated race appears to be developing in Avon Township, where Supervisor Norm Geary has antagonized some of the electorate because of his independent voting record on the board.

Challenging Geary for the post is Douglas MacGillis, former Mayor of Round Lake and one-time candidate for State Senator in the Republican primary.

Former Board Chairman Kenneth Henke, who is now chairman of the Finance Committee, is expected to have opposition, but a slate apparently has not been completed.

In Waukegan Township Assistant Supervisor Taisto Aho has taken out petitions to run for re-election as an independent after being told in no uncertain terms that he would not be on the ticket to be headed by Supervisor August Cepon.

Aho abandoned Cepon when the latter ran for board chairman two years ago and was rewarded the "Establishment" with appointment to the Lake County Building Commission over Cepon's protest and subsequent election as chairman.

Sepon has nearly a score of applicants for the vacancy created by Aho's defection so he won't have much trouble finding someone to complete his ticket.

It will be interesting to see if Aho resigns from the Building Commission if he is defeated in his bid for re-election to the board.

The membership does not have to be made up of county board members and there are those who feel it might be better if all the commissioners were appointed on a non-partisan, non-political basis.

It's easy to place a classified—just call 395-4111.

Your Congressman Reports....

By Cong. Robert McClary

"If the people of the United States want to provide some valuable foreign aid, please tell them to send home some of our scientists and professionally trained citizens." It was thus that the Iranian parliamentary delegate spoke at a recent meeting at the UNESCO headquarters in Paris.

The purpose of the parliamentary conference was to discuss the importance of science to the developing countries. Parliamentary representatives from Iran, Bulgaria, Great Britain, Norway, France, Czechoslovakia, Tunisia, and other countries agreed that economic, cultural and social advances go hand-in-hand with scientific progress. The United States Government has helped train countless thousands of the most talented individuals from all over the world. But comparatively few of these individuals have returned to their native land to share the benefits of their U. S. acquired education and experience.

Senator Sadigh of the Iranian Parliament, whose words are quoted in the first paragraph, charged that more than 20,000 Iranian scientists and professional people have emigrated from Iran in the past several years. He declared: "There are 400 Iranian doctors in New York alone."

Any current discussions of U. S. programs to educate foreign nationals in scientific and technical subjects (including the recent exchanges at UNESCO) turn almost at once to a review of the "brain drain." This rather ominous expression reveals simply that many of the most brilliant students in the lesser developed countries are given educational opportunities in our country (frequently at federal expense) and are lost forever to the countries from which they emigrated.

Even the highly touted International Education Act passed at the last session of Congress—part of a program which the President promised would help relieve ignorance in the world—is almost certain to entice additional scholars and teachers away from the very countries that need to develop more brains within their own boundaries.

Our American efforts with people from lesser developed areas are not complete failures. Many Peace Corps volunteers, some teachers and scientists who take assignments abroad (even some American universities, are furnishing much needed stimuli in areas where science and technology are desperately lacking. These efforts are recognized by those who have benefited. But their influence on legislation in Washington is relatively insignificant.

Unfortunately, some representatives of our great institutions of higher learning—including the professional schools—appear to be quite unimaginative in relation to the "brain drain." As our nation appears to be capable of absorbing the entire available supply—so far—of scientific and technological experts, there is an understandable lack of concern for the shortage of such talents in most of the other countries.

The goal of providing a world of mutual help and understanding is quite remote if one nation remains in the stone age while another advances to the space age.

High school graduates, including Peace Corps volunteers and the Iranian "Army of Knowledge," are bringing educational opportunities to many areas where none have existed. These examples point in the direction that scientific and technological foreign aid must go. With our experience and know-how, we can encourage and stimulate programs of self-help. We can train teachers and leaders in the regions where the scientific and technological gap now yawns.

From Our Readers

By Robert E. McAllister

Town Line Road, Lake Villa

As we remember the birthday of that great American, Abraham Lincoln, on Feb. 12th, one cannot help but speculate on what he might say or do if he were alive today and a witness to some of the present happenings such as, disregard for the law, lootings and a lack of recognizing that "freedom" also brings responsibility. Anyway, herewith are a few lines which I composed some years ago which I would like to share with you in remembrance of the Great Emancipator. He broke the bonds of shackled slaves. Restored the rights of men;

He fought for freedom everywhere
With heart, with voice and pen.

Abe Lincoln knew for what he stood.
And feared no friend or foe:
An equal chance for all mankind
He always sought to sow.

He placed his country's welfare high
Above all selfish gain
And died a martyr to his cause
To make our freedom reign.

And so his birth we celebrate;
His life has been revered
Because he did eternal good
And clouded issues cleared.

eager boys with basketball and football. He fills in as a substitute teacher in emergencies, and even comes out one night a week to offer a physical ed program to the men of the community... and we don't support a man like this? How can we expect to keep people of this high caliber at our school? What's wrong with the Grass Lake community? Shame on us.

Has the Grass Lake community become an area of very selfish people who are interested only in themselves? I hope not. Have they forgotten that years ago their elders sacrificed and made it possible for them to get education? Don't they realize that the one good and decent thing that they can do on this earth is to support education to American children?

I DO know that if money magically started rolling in to Grass Lake School in amounts that far exceeded the school's actual needs, that Mr. Bob Hart and his school board would immediately take steps to lower the education tax rate again. These men are property owners too—but the school needs more money to exist, and it needs it NOW!

Another trial will undoubtedly be made to get this referendum passed. I sincerely hope that the "NO" voters will think twice—consider their responsibility to these Grass Lake kids and respond with a YES vote that will startle all of Lake County.

Many voters didn't bother to come out and vote. I do hope that those who stayed home, will realize how important it is to support our school—because the schools of today are the future of America tomorrow, and why shouldn't the Grass Lake kids have a good future?

Storm Signals

Cook County Board Chairman Ogilvie's un-Republican-like request for a diversion of the Motor Fuel Tax in Cook County and for a ten million dollar bond issue without referendum appears to be in for rough sledding in the House.

The Republican, Ogilvie-controlled, Senate meekly passed these proposals and sent them to the House. However, there is strong opposition to these measures in the House including the writer of this column and former speaker John Lewis (R-Marshall). Ogilvie's failure to present any plan for repayment of this \$18,000,000 has added to his difficulty. At this writing, it appears that the former Cook County sheriff is in for a much deserved political set-back.

In Harmony

Lake County's six representatives have combined their talents, powers and parties into a six-man team on a Bill to restore the \$155,000.00 to the Waukegan Port District Budget that was cut from their request by the Budgetary Commission.

Bingo

The resolution to grant the people of the state the right to vote on whether or not they wish to have Bingo legalized was dropped into the Legislative Hopper on Wednesday. With the rather sudden and surprising help of Jack Mabley of the Herald American, it appears that

IN MEMORY OF LINCOLN
By Charles B. Watson

When you are alone with your thoughts, many things and ideas course through your mind, which is a most natural and acceptable evolution for spare moments that the seeking an outlet of expression.

Most any way we look at life it becomes a motion picture teeming with ideas of past, present and future events that are ever looking for just the proper time to blossom out into a revealing reality.

History reveals thousands of events that are worthy of sincere meditation, because of their reality and influence in forming and building a life that is outstanding in character, influence and dedication to the highest standards of honorable development.

Memory is always helpful and consoling when we are seeking to preserve the proper recognition of one who has shown what can be accomplished by a sincere devotion to the higher principles of life and the recognition of the true meaning of faith, in the reality of a divine creator.

One of the most outstanding characters that graces the pages of American history and deserves the recognition of an undivided public has a birthday on the 12th of February, and will always be recognized for his sincere devotion to humanity and the nation he so jealously fought to preserve.

No better proof of his sincerity and devotion to the higher standards of life can be offered than his own words when he said, and I quote, "After I am gone, I want it said of me by those who knew me best, that I always plucked a thistle and planted a flower, where I thought a flower would grow."

The memory of Lincoln will continue to live throughout the ages yet to come, not only as Emancipator and outstanding President and statesman, but as a sincere believer in the God who marks the Sparrow's fall.

YESTERDAYS

TWENTY YEARS AGO
IN ANTIOCH
From the Antioch News of Feb. 13, 1947

The Channel Lake Community Club elected Richard Seyfarth as president.

Mr. and Mrs. Austin Savage celebrated their Golden Wedding anniversary.

To Know Your Village Watch This Space

Vern Barnstable

"A new note of confidence and loyalty comes to me after being elected to the Board of Trustees of the Village of Antioch. May my electors never have cause to doubt their faith in my loyalty to my task."

pened to those early robins that were seen in this area not so long ago? Bet they're sorry. Don't forget to put out some food for the birds in this deep snow. Seeds, suet, dry bakery goods, and if you can, a little sand or gravel to help them digest their food.

Looking 'em Over

By Pearl Kapell

The weather has been making all sorts of news of late. And along comes Waukegan's fishy forecaster to declare, "No more cold weather."

"Not so," says Antioch's Doc Solar, Oracle of the mushrooms. "We will, indeed, have some cold weather in late February. But the big snows are over."

Chicago would be glad to have some such assurance. Whether or not our local mushrooms can speak for the Chicago area is not certain.

"We will have snow in March, but not a great amount at one time," says Doc. "We will also have some sleet storms. And some minor snow in February. But the worst is over."

Once we get March out of the way, we can look forward to a beautiful summer, says Doc. A bit more moisture than last summer, but generally lovely weather. Except that we're going to have more heavy windstorms than usual. A good year for the shingle business, says Doc.

In case you've forgotten, Dr. Solar is an ardent mushroom hunter (and eater). He feels mushrooms, plus other indications he finds on his mushroom hunts, plus a good many years of observation of the weather, are considerably more dependable than the prognostications of the perch.

The weather forecasters, we note who give us our day to day advice on this all-important subject, seem to be still in shock after their failure to forecast Chicago's 23-inch snowfall with any degree of accuracy. When snow started the following week they went overboard in predicting possible large amounts, only to have it dwindle out much earlier than expected and leave them wrong again.

What do you suppose happened?

ding anniversary. Roy Kufalk, chairman of the March of Dimes in Antioch, reported that \$573.19 had been collected for the fund.

TEN YEARS AGO
From the Antioch News of Feb. 14, 1957

The Sales Tax collected in Antioch for December was \$3,117.67.

Roger Lang, 16, of Antioch was killed when his car hit a pole on Route 50.

Farming engages 7 million workers. This exceeds the combined employment in transportation, public utilities, steel and auto industries.

ACHS Stage Band At Wis. Festival

The Antioch Community high school dance orchestra under the direction of Joseph T. Rush, will be one of seventeen high school dance orchestras to compete in the Badger State Stage Band Festival, to be held at Delavan, Wis., Saturday, February 11.

During the morning preliminary contest each band will play three numbers. The top three orchestras will be selected to compete in the evening finals. Judges will be David Seiler, U. of Idaho band director, Robert Spencer, former Woody Herman arranger, now an instructor at Milliken U., and Robert Russell, ex-Buddy Morrow drummer.

An afternoon clinical session will be conducted by the U. of Wisconsin Jazz Workshop and the judges.

The evening performance will feature the top three bands from the morning

contest plus a concert by the U. of Wisconsin Jazz Workshop group with soloist Warren Kline.

The following high schools will compete: Oaklawn of Chicago, Maine Township West of Des Plaines, Fenton of Bensenville, Antioch, Milwaukee's Juneau, Brookfield Central and Nicolet, Oconomowoc, Evansville, Kenosha Tremper, Madison Edgewood, Reedsburg, Stoughton, Janesville, Delavan - Darien, Big Foot and East Troy.

CHRISTIAN SCIENCE CHURCHES

"The Lord redeemeth the soul of his servants; and none of them that trust in him shall be desolate."

This reference from Psalm 34 is included in the Responsive Reading for the Christian Science Lesson-Sermon this Sunday titled "Soul."

Some of the finest soil in the world exists in Iowa where more than 90 per cent of the land is devoted to farming.

DEATH NOTICES

JAMES L. WATERS

James L. "Red" Waters, 71 years old of 1003 Main Street in Antioch, passed away after a lingering illness on Saturday, February 4, at 2:50 a.m. in Downey VA Hospital. He was born October 24, 1895 in Waukegan, and had resided in Antioch most of his life. He retired as a plumber, having worked at Grayslake, Mundelein, and Great Lakes. He held membership in Plumbers Local No. 93, and Antioch American Legion Post No. 748, and a past commander (1936-1937).

Survivors are his wife Mona (nee Waters), two daughters, Mrs. Lucille (Frank) Kuehnmeister, Antioch, and Mrs. Carol (Bill) Effinger, Lake Villa; five brothers, Lester W., Antioch, George A., Yuma, Ariz., Thomas H., White Lake, Wis., Barney B., Ingleside, and Bernard J. Waters, Grayslake; three sisters, Mrs. Clara B. Schlosser, Bunnell, Fla., Mrs. Viola Cozadd, Libertyville, and Mrs. Bessie Craft, Grayslake, Ill., and five grandchildren.

Funeral services were held from the Strang Funeral Home in Antioch at 1:30 p.m. Tuesday, Rev. Bruce Jones of the Lake Villa Community Methodist church officiated at the service. Interment was in Hillside Cemetery at Antioch. Antioch American Legion Post No. 748 participated in the services.

ERIC PETERSEN

Mr. Eric Petersen, 74 years old of 285 Sunset Lane, Antioch, passed away suddenly at 9:00 p.m. on Friday, February 3, at his home from a heart attack. He was born May 17, 1892 in Chicago and resided there until moving to Rock Lake Highlands Subdivision near Trevor, Wis., in 1954, then to Antioch a year ago. He had worked as a typesetter for various Chicago printing firms as an occupation, and held membership in Chicago Typographical Union No. 16. He was preceded in death by his wife Anna Marie in January 14, 1960, and one son, Edward Petersen in November, 1954.

Survivors are a son, Earl E. Petersen, Arlington Hts., Ill., a daughter, Mrs. Lorraine (Carl) Oscarson, Mt. Prospect, Ill., a sister, Mrs.

Emma (H. Charles) Nielsen of Trevor, Wis.; five grandchildren and four great grandchildren.

Private services were held at 11 a.m. Monday at the Strang Funeral Home in Antioch. Mr. Edwin W. Olson of the First Church of Christ, Scientist at Antioch officiated at the services. Interment was in Acacia Park Cemetery in Chicago. The family would appreciate memorial contributions to the American Cancer Fund.

MRS. MARGIT T. LARSEN

Mrs. Margit T. Larsen, 79 years old of Felt's Subdivision near Antioch, passed away at 6 a.m. Wednesday, February 1, in the Terrace Nursing Home at Waukegan after a lingering illness. She was born December 24, 1887 in Norway and came to America in 1910 to reside in New York, then moved to Chicago in 1912 and to Antioch in 1941. She held membership in Felt's Subdivision association. She was preceded in death by one daughter, Miss Ruth Nielsen, one son, Ralph Nielsen, and on brother, Charles Hendricks.

Survivors are her husband, John Fred Larsen, a brother, Robert Kolberg, Norway.

Funeral services were held at 11 a.m. Friday at the Strang Funeral Home in Antioch. Rev. Donald Cobb of the Antioch Methodist Church officiated at the services. Friends desiring may make contributions to the Antioch Rescue Squad in memory of Mrs. Larsen.

ROBERT T. WILTON

Robert T. Wilton, 64 years old of Hwy. 83, near Trevor, Wis., passed away at 12:03 a.m. on Friday, February 3, at St. Catherine's Hospital in Kenosha, suddenly. He was born November 10, 1902, in Salem Township, and had lived there all of his life. He married Louise Golden on Nov. 24, 1924 at Waukegan. Mr. Wilton has operated Wilton's Well Drilling since 1918 in Trevor.

Survivors are his wife, Louise, two sons, Charles W. and Donald J., both of Trevor; a sister, Mrs. Eva Turlock of Salem, Wis., and five grandchildren.

Funeral services were held at 1:30 p.m. on Monday at the Strang Funeral Home in Antioch. Rev. Donald Cobb of the Antioch Methodist Church officiated at the services. Interment was in Liberty Cemetery near Trevor.

Scout News

CUB SCOUT PACK 192

Cub Scout Pack 192 held its January meeting at the Scout House on Feb. 2nd. The meeting had been postponed a week due to the snow storm.

Den 5 presented the Flag Ceremony. Jim Reckers and Danny Nissen were color guards.

New Bob Cat Larry Reckers was welcomed into Pack 192.

Awards were presented by Cubmaster Joe Hellstern and Mr. Gordon DeBoer.

Larry Kitterman earned a Wolf Silver Arrow. Joe Renfro received a Bear Gold and Silver Arrow. Phil Lindberg and Tommy Irving earned Bear Gold Arrows.

Michael Ware, Jim Reckers, David DeBoer, Jim January, Bob Dodd, Paul Petty, and Robert Walsh earned Wolf Badges. Bill Petty, Larry Kitterman and Dennis Thain earned Bear Badges. These boys will receive their badges at the Blue and Gold dinner in February.

Ricky Smouse and Jeff Schmidt earned Denner Stripes. Art Meyer and David Edwards earned Asst. Denner stripes. Robert Miller received a year pin.

Den 3 directed by Mrs. Trudy Petty, presented a skit, Dial-A-Date Time Machine.

Den 2 made Hospital favors for Victory Memorial and County Hospitals.

Den 1 displayed carved wooden neckerchief slides they had made.

Plans are being made for the Blue and Gold dinner to be held at the Antioch Savings and Loan Social Room in February.

February 7 to 13 is Scout Week. Feb. 12 is Scout Sunday. The Boy Scouts of America will celebrate their 57th year of Scouting this month.

At the close of the meeting the Space Derby was held. The Cubbers carved their space ships from pine blocks. With the help of the Den Dads the race got under way. Each of the excited and delighted Cubbers received a first, second or third place ribbon.

Committee meeting was held Monday, Feb. 6, at the Scout House, at 8:30 p.m.

Civic Organization Elects Officers

Norman E. Heyne, of Kennedy, Heyne and Thorne, Inc., Chicago, was recently re-elected President of the John Howard Association. Heyne resides in Antioch. He has been active for twelve years with the John Howard Association, announced Joseph R. Rowan, Executive Director.

Other officers re-elected for a one-year term are: Governor Otto Kerner; Chief Judge John S. Hastings, United States Court of Appeals; Mrs. Leston B. Nay; Stanley Goodfriend, Vice President, Arthur Rubloff & Company; all as Vice Presidents; Mrs. Harry La Bar Drake, Secretary and Michael Newbury, Treasurer.

New members elected were Professor Norval Morris, Director, Center for Studies in Criminal Justice, The Law School, University of Chicago; Minor K. Wilson and Sterling Quinlan, President, WFIL-TV.

Other members whose terms had expired and were renominated for membership in the John Howard Association Board of Directors were: Gerald J. Graham, Dr. Theodore K. Lawless, Hon. Raymond P. Drymalski, Bertram Z. Lee, Frank L. Madlener, Eugene D. Murphy, Michael R. Notaro, E. H. Shomo and the Hon. Hubert L. Will.

The John Howard Association, founded in 1901, is recognized internationally for its work in counseling offenders and their families.

Need a lift, Mayor Daley? Although the Chase's operate a service station at Channel Lake, they have this four-pony hitch on hand when the snow gets deep. Left to right, Dorothy Chase, Marge Beitzell, Catherine & Paul Chase, Carl Beitzell (driver) Fred Chase and Tom Chase. The ponies are June and Charlie (in front) and Duster & Ma in back.

Who needs snow plows? Ted Hucker of Channel Lake is getting plenty of use out of his Skee Horse this winter. In the background is the four-pony hitch and sleigh with which the Chase family foil the drifts.

20 years from now the electric heating in your home will still be one of the brightest ideas you ever had.

Only an electric heating system will be just as modern in twenty years as today. It will probably outlast your mortgage. (No other heating system can make that statement.)

Electric heat has other things going for it, too. Like flexibility, cleanliness, economy of installation, silence, trouble-free operation, odorlessness, and five different types of systems to choose from.

All of which adds up to keeping your home bright and modern for many years to come. And electricity is making it possible. Check into electric heat... the modern heat.

For further information call our nearest office.
Commonwealth Edison Company

The bright new ideas are Electric.

The Rev. John Schaffer (right) was the main speaker at a recent meeting of the Antioch Mental Health Auxiliary. Next to him, Mrs. Robert Lubkeman, Mrs. Clarence Spiering and Tom Smith, counsellor.

Auxiliary Plans Ball, Thrift Shop

The coming Mental Health Cotillion and the opening of a thrift shop were discussed at a recent meeting of the Antioch Mental Health Auxiliary.

The Rev. John Schaffer, pastor of the United Church of Christ in Libertyville, and a part-time lay counsellor with the Lake County Mental Society, lead a discussion of mental health problems. Tom Smith, Channel Lake, a counsellor with the Lake County Special Education District, participated in the discussions.

The Antioch Auxiliary is planning a Mental Health Ball for April 14 at the Officers' Club at Great Lakes Naval Training Center. Chair-

man of the affair is Mrs. Robert Lubkeman. Mrs. Elroy Anderson is ticket chairman.

The Mental Health Auxiliary's Thrift Shop will be located in the building formerly occupied by the First National Bank of Antioch. Mrs. William A. Schroeder has given the Auxiliary permission to use the building.

The Auxiliary plans to remodel and "spruce up" the building. They will sell all types of merchandise that are donated to them. They hope to open a thrift shop about April 15.

Money made in the thrift shop and at the Mental Health Ball will go to further plans of the Mental Health Auxiliary.

Where The Boys Are

Sp/4 Frank J. Nauseda

SP/4 Frank J. Nauseda, son of Mr. and Mrs. Vincent Nauseda, is stationed in Saigon. He hopes to be home in July. Frank has been in Saigon since last July, and is assigned to office duty. He is a graduate of Antioch High School.

Frank D. Ryan

Sp/4 Frank Ryan, son of Mr. and Mrs. F. Ryan of Lake Marie, Antioch, is stationed in Viet Nam at present.

Plan Meeting For Parents

A child psychologist will be the featured speaker at a meeting planned for Sunday afternoon, Feb. 19, at St. Peter's School.

This is the third in a series of four meetings. It will be held at 2 p.m. in the Blue room at St. Peter's School. Martin O'Malley, a registered psychologist from Glenview, will be the speaker.

Mr. O'Malley will answer such questions as "Why do children fight?", "Does spanking really help?" and "What is discipline?"

Parents are urged to attend. The meeting is open to the public.

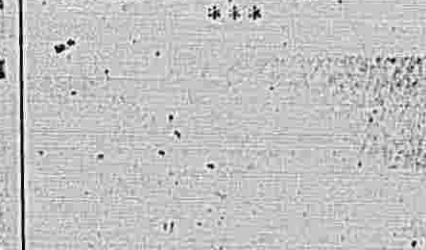

SAN DIEGO, Calif.—Marine Private Dale C. Barnes, son of Mr. and Mrs. G. R. Barnes of 355 Maple Drive, Antioch, was graduated from eight weeks of recruit training at the Marine Corps Recruit Depot here.

He will now undergo about three weeks of individual combat training and then after leave at home, will report to his first Marine Corps assignment.

USS BENNINGTON — Machinist's Mate Second Class James R. Cole, USN, son of Harry D. Cole of 200 Chestnut St., Antioch, has completed a 45-day patrol off the coast of Vietnam, as a crew member aboard the anti-submarine aircraft carrier USS Bennington.

After a five day rest and recreation period in the British Crown Colony of Hong Kong, the Bennington will rejoin the Seventh Fleet in the Gulf of Tonkin.

Bennington, homeported in Long Beach, California, serves as the flagship for Commander of Anti-Submarine Warfare Group One.

Dudley Sheehan

TAN SON NHUT, VIETNAM — Dudley E. Sheehan, Route 2, Box 24, Antioch, was promoted to specialist fourth class at Tan Son Nhut, Vietnam, January 8.

First cook in Headquarters Company, Special Troops, U. S. Army, Viet Nam, stationed near Tan Son Nhut, Spec. Sheehan entered on active duty in July 1965 and was stationed at Ft. Belvoir, Va., before he arrived overseas last July.

Spec. Sheehan is a 1961 graduate of Antioch Community High School. Before entering the Army he was employed by the Jewel Tea Company.

AARP To Elect 1967 Officers

A business meeting of the Antioch Area Chapter No. 387, AARP group will be held on Tuesday, February 14th, at 1 p.m. in the Community room of the Antioch Savings & Loan.

An item of importance to the membership will be the report to be given by the nominating committee, consisting of the following members: Vera Anderson, chairman, Lorna Buchert, Ruth Carlson, Lena Messing and Ruth Tidmarsh.

The election of officers will take place at the March 14th meeting.

The social meeting on Feb. 28th will have on the program a silent auction, with Ruth Carlson in charge.

The local chapter will be two years old in March.

W.S.C.S. MEETINGS

The Alice Circle will meet at the home of Mrs. Leona Petersch, Hennings Court, on Wednesday, Feb. 15 at 1 p.m.

The Gertrude Circle will meet at the home of Mrs. Dortha Chapp on Beach Grove Road Wednesday, Feb. 15, at 1 p.m.

The Martha Circle will have their meeting at the home of Mrs. George Good, 422 Harden St. Members are asked to bring needle

and thread as they are going to make bandages. This meeting is also Wednesday, Feb. 15, at 1 p.m.

American Legion Auxiliary News

By Del Jahneke

"Promote Americanism Today for a Safe Tomorrow" is the Americanism theme for 1967, reports Mrs. Lester Zitkus, Americanism Chair-

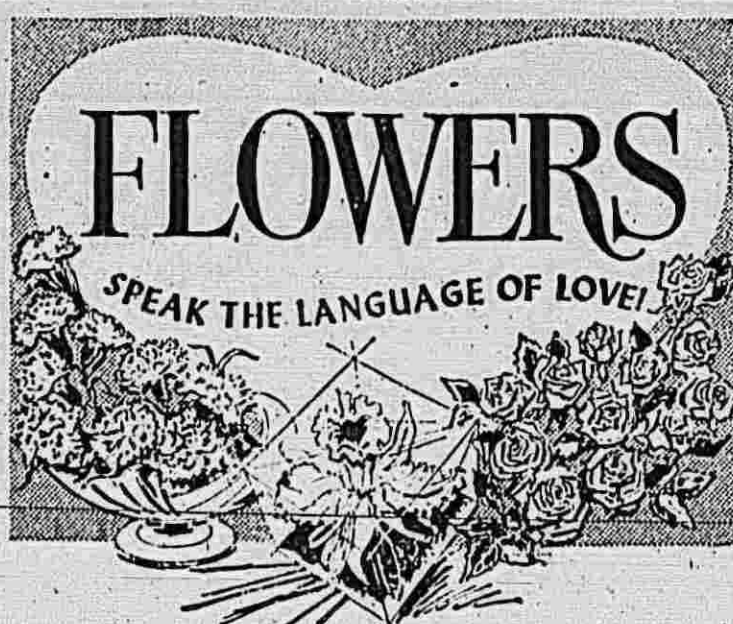

man of the Antioch Unit No. 748, American Legion Auxiliary. One of the major points of the Americanism program this year is the sponsorship of an essay contest in our local schools—the subject is: "What Are the Privileges or responsibilities of Citizenship?" All students in the seventh and eighth grades of the schools in the Antioch area and the Antioch Community High School have been contacted, and are encouraged to participate.

Mrs. Zitkus states that the essays will be picked up at the schools on February 10. Three judges will then select the 1st, 2nd and 3rd place winners—Class I, 7th and 8th grades; Class II — 9th and 10th grades; and Class III 11th and 12th grades.

The first place winner in each category will then be entered into District competition—the 10th District prize is a \$25.00 U. S. Savings Bond. Two Antioch students were winners in the 10th District competition last year. The District winners then go into state competition.

A short patriotic quiz will be conducted at the February 10th meeting of the Antioch American Legion Auxiliary, according to Mrs. Zitkus. This meeting is the annual birthday pot-luck supper party, at 6:30 p.m. in the Antioch Legion Home, with Antioch Legion Post and their wives, and the Unit members' husbands, as the ir

guests.

MOOSE TOPICS

By Lillian Birdsell

Collegian Jane Verkest was the unexpected guest speaker for the Women of the Moose at the Hospital Chapter Night program, held at the Antioch Moose Home, Thursday evening, Feb. 2. Deputy Grand Regent, Magdalene Remsing, who was scheduled as guest speaker, was unable to appear because she was snowbound in Des Plaines.

Jane Verkest gave a detailed speech on the ventures of becoming a Collegian for the Women of the Moose to the 553 co-workers who attended. Collegian Verkest had just received her red stole at the Mid Winter Conference which was held in Woodstock last month. This honor is given to Collegians after four years of service to her chapter.

Enrolled as new members on this evening were, Rosemarie Stankus, sponsored by Ellen Stankus; Roseanne Stewart, sponsored by senior regent, Lillian Birdsell; Audrey Ohrwall, Emily Psiris, Stella L. Shastal and Lucille Sommers, all sponsored by Charlotte Mallory. Marvella Weeder, who was enrolled as a new member at the Mid-winter Conference, was also sponsored by Charlotte Mallory.

Millie Beck, member of the hospital committee, received the attendance prize for the evening.

Mary Wilkinson received her Chapter pin which is awarded to all new members who attend four consecutive meetings.

The next meeting for the Women of the Moose will be held at the Antioch Moose Home Thursday evening, February 16.

A meeting for the W.O.T.M. officers will be held at the home of Jerri Polson, Thursday, Feb. 9, (tonight) at 7:30 p.m.

Scotty Birdsell will be chef at the Fish Fry scheduled for Friday evening, Feb. 10.

The Third District meeting will be held at the Woodstock Moose Home, in Woodstock on Saturday, Feb. 11, at 8 p.m.

A meeting of the L.O.O.M. and W.O.T.M. officers will be held at the Antioch Moose Home Wednesday evening, February 15.

and thread as they are going to make bandages. This meeting is also Wednesday, Feb. 15, at 1 p.m.

Students Interested In Foreign Affairs

Lucien M. McLean, Antioch High School teacher, and five students will attend a foreign affairs counsel conference in Chicago Saturday, Feb. 11.

The five local students who will attend the conference are Leonard Rozek, James Gilliland, Deborah Strom, Robert Beese and Margo Eiten.

The conference will be held at the Conrad Hilton Hotel. Ambassador Charles W. Yost, author, career diplomat and former U. S. Deputy Representative to the United Nations will be the principal speaker.

In addition to Ambassador Yost, three other distinguished speakers at the conference will be Barbara Ward (Lady Jackson) Foreign Editor of the Economist; Dr. Norman Graebner, author and professor of Diplomatic History at the University of Illinois, and Dr. Bascom H. Story, Director, Education and Manpower Planning Service, Agency for International Development.

Re-Schedule Free Concert

A special free concert presented by the Music Center of Lake County, previously cancelled due to poor weather, has been rescheduled for 8:00 p.m., Friday in the Waukegan Public Library.

Performing will be several outstanding artists. They include George Banham, pianist; Mrs. Eileen Sparks, actress; special guest artist Stephan Evans, concert saxophonist. He will be accompanied by Mrs. Gwyn Cantelo; and a Faculty-Community Brass Quartet including Ronald Meng and Robert Christensen, trumpet, Leslie Gilkey, french horn and Joseph Favero, trombone.

The public is invited to attend this concert. There is no admission charge.

Jerry is a graduate of Grayslake High School and is presently a sophomore at the U. of Illinois.

No wedding date has been set.

Announce Marriage

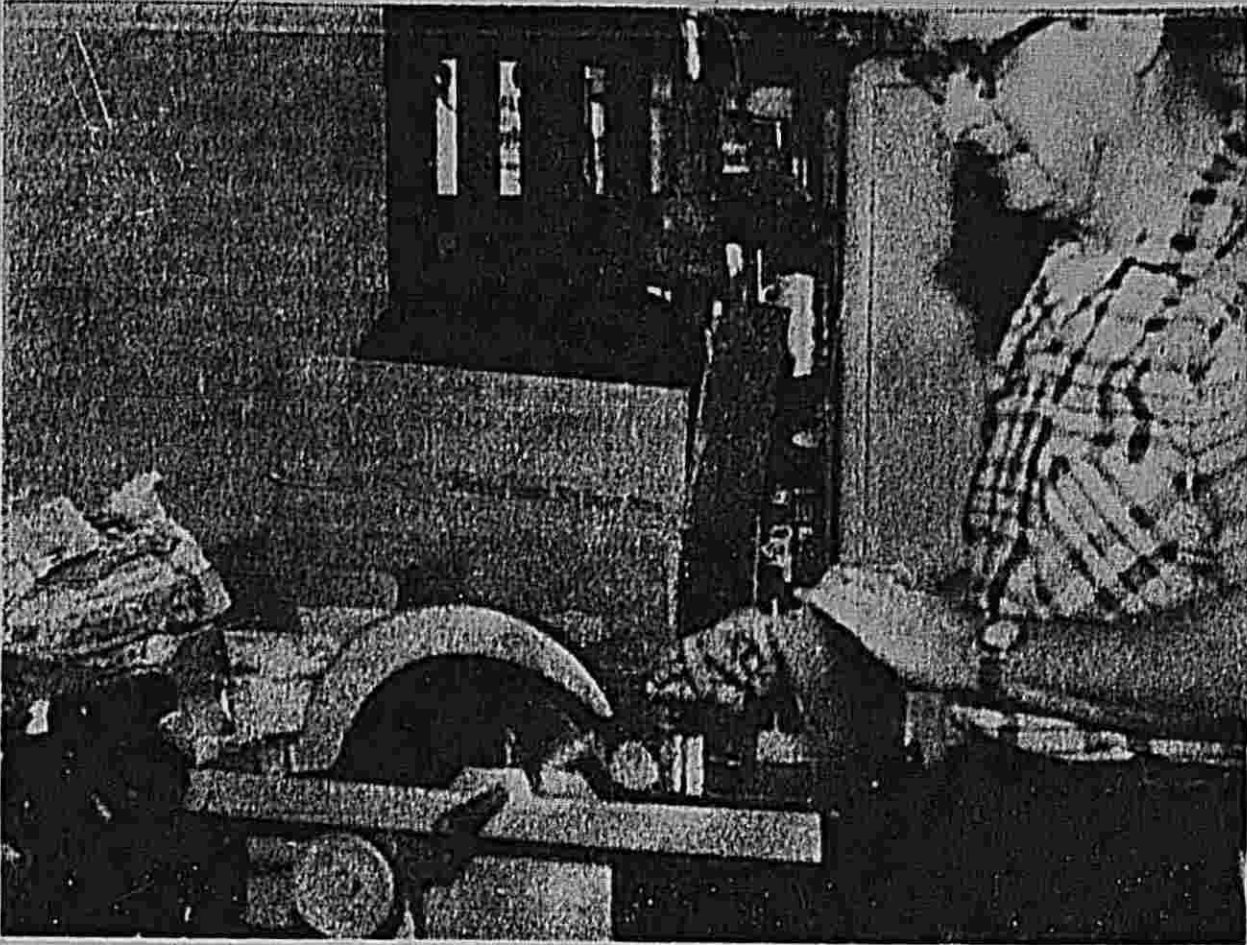

Mrs. Leonora Smith, Antioch, announces the marriage of her daughter, Frances, to Gerald Zimmer, January 28, at the Antioch Methodist Church.

Millburn Assembly To Serve Roast Beef Dinner

Millburn Rainbow Assembly No. 82 will be serving a roast beef dinner at the Millburn Masonic Temple on Sunday, Feb. 12.

The dinner will be served from 11 a.m. to 2 p.m. Tickets will be sold at the door.

At least 22 per cent of the nation's annual perfume sales occur in December.

Ray Rathmann slices gem stones on this machine, one of several he has in his home workshop.

Gem Stones Are His Hobby

By Del Jahneke

Have any of you ever cherished a dream of fashioning your own special kind of jewelry? Ray Rathmann, Oakwood Knolls, has made this dream come true. His wife, Eunice, has been the fortunate recipient of some strikingly beautiful and unique articles of jewelry.

Ray Rathmann is a lapidary for those "not in the know" a lapidary is a person who cuts and polishes gem stones. Ray became interested in becoming a lapidary about five years ago, when he saw his wife's cousin "grinding" some stones. He immediately bought a book on stones, and subscribed to The Lapidary Journal. He gradually acquired the equipment needed.

On various trips out west, Ray began searching for the different kinds of rocks he wanted. At a copper mine near Christmas, Arizona, a person could dig stones out of the rubble, for the exorbitant sum of 50c each! It was there that he found some of the bluish-green chalcodony stones. In visiting an "Apache Tear" mine near Globe, Arizona, Ray added many of these jet-black rocks to his collection.

The best places to find gem stones are in the western states, in either the desert or mountainous areas. Jade has often been discovered in Wyoming. Topaz, agate, turquoise and amethyst are fairly prevalent throughout the west. The chances of the average person actually finding valuable diamonds, rubies or emeralds in the United States are fairly rare.

There are several diamond mines in Arkansas. Those who wish to find their own diamonds, may, for an admission fee, dig in the rubble of some of these mines. If someone finds a large and valuable diamond, a certain percentage of its monetary value must be given the mine owner.

They may keep lesser diamonds, depending on the size and quality of the stones. A good deal of crystal quartz is also found in Arkansas, although crystal quartz, and other types of quartz, are found throughout the states. Quartz was deposited there during the glacial period. Surface frost and severely cold weather has pretty well deteriorated much of it.

Last summer the Rathmanns brought rocks back from a copper mine, near Copper Harbor, Mich. In exploring the remains of an abandoned smelter's furnace from an old copper mine, mixed with the debris washed out of nearby Lake Koshkong, Wisconsin, they found more black and orange rocks. Although it doesn't sound possible, beautiful gems can be made from slag.

Some of the stones that Ray has worked on are carnelian; many varieties of agates; tiger-eye, a form of quartz; honey-onyx—a golden white stone; Hematite, known as a black diamond; aventurin, which comes the two colors of blue and green; and chalcodony. The first jewelry he made for Eunice was a pendant, made out of a Mexican Crazy-lace stone, a form of agate. This exquisitely lovely piece has opaque background, with multi-colored random lace design.

Ray says that anyone could get a "start" as a lapidary with under \$100 of equipment. The machinery is not particularly difficult to handle, but it does require a great deal of patience. Ray finds that working with his stones provides him with relaxation from the day's tensions. Some stones can be finished in a few hours, but the more valuable stones generally take several weeks to finish. The workmanship

Here's some of the jewelry Ray Rathmann has made from stones. In the foreground are some of the rough stones from which he works.

needed, the quality, and hardness of a gem determines in a large measure, the value of these semi-precious jewels. Some of the stones and all of the "setlings" may be purchased in rock shops in Chicago, Elmwood Park, Ontarioville, etc.

At the present time, Ray is working on some rose quartz, and he next will tackle some fire-opals from Mexico. To the ladies—don't we all feel that Ray's wife, Eunice, is one mighty lucky gal?

"Bill Of Rights" For Postal Customers

Postmaster Joseph Wolf today called attention of Antioch mailers to the new "Postal Customer's Bill of Rights" to help meet President Johnson's government-wide goal of improving the quality of federal services to the public.

Directed at post office window services, Postmaster General Lawrence F. O'Brien has ordered the Customer's Bill of Rights implemented by two immediate steps at Antioch.

1. Posters will be displayed in the post office lobby and service counters containing 10 points which specify the kind of treatment customers have a right to expect.

2. Instructions from Mr. O'Brien call for careful observance of all points in the "Postal Customer's Bill of Rights." The instructions also provide directions for the most efficient management of window services.

The posters tell customers they are entitled to:

1. A neat, clean counter on which to transact business.
2. Service by a well-groomed, neat window employee.
3. A friendly greeting that expresses a desire to assist.
4. Knowledgeable, well-informed, interested window personnel to help with postal needs.
5. Prompt, alert and efficient management of window services.

6. Competent and correct information on inquiries.

7. An attitude that reflects helpfulness, patience and congeniality.

8. The courtesy and tact that would be expressed from a friend.

9. Prompt referral to another window or individual, when necessary, to give the appropriate service.

10. A feeling, upon leaving, that the post office is glad to serve and help at all times.

Instructions for fulfilling "The Postal Customer's Bill of Rights" are being distributed to all window personnel by Postmaster Wolf.

Mr. O'Brien stated in connection with the new postal service improvement effort: "President Johnson insisted that every federal employee give added attention to providing American people with the very best service possible. Since your daily duties bring you in direct and continuing contact with our customers, I would like to tell you what I consider the type of service the American people have a right to expect when dealing with the largest business operation in the world."

In addition to improving relations with customers, Postmaster Wolf said, the "Customer's Bill of Rights" can expedite handling of

News "In And Around" The Salem Area

By Del Jahneke

Cub Pack No. 28 of Salem held their meeting on February 2nd, at the Consolidated Grade School of Salem. This meeting had originally been scheduled for January 26th, but due to the snow and bad weather conditions, it was postponed to Feb. 2nd. The following badges and awards were presented: Bobcat Badges to Guy Neau and Kirk Schlenz; Wolf badges to Curtis Buck, Bradley Query, Mike Simonsen, Douglas Nienhaus, Greg Hartman, and Michael Hansen; Jimmie Verzal—Wolf, and one gold and one silver arrow; Kurt Eckburg—one silver arrow in Wolf; one year pins to Ken Plants, Gary Grabarec, Tomo Koenecke, and Webeles badges to Terry Verzal and Doug Paddock, Ralph McCary was introduced as the new Webeles Leader.

The Rocket races were then held, with the following winners: Den 2—Ken Keisler; Den 3—George Reisel; Den 4—Bradley Molgaard. In the "elimination heats" Ken Keisler was first, and Bradley Molgaard was second. The Winner of the Pack was Bradley Molgaard. Plaques were given to each Den winner, and to the "Champ" of Pack No. 28.

Phil Glasman and William Moeller will be attending a "kick-off" dinner party meeting in Kenosha on Monday, February 20. This dinner meeting is for the purpose of selling tickets for "The Wonderful World of Scouting," to be held in Kenosha on April 1.

Den mothers Mrs. Dale Plants and Mrs. William Moeller served the refreshments.

The Holy Name Home and School Association of Wilmet, Wis., held a "Mardi Gras" on February 4th, at the Holy Name School. A pot-luck supper was held at 6:00 p.m., with the children arriving all dressed in costume. There were many booths with a large variety of home-made articles for sale.

Dinner Party The William Moeller family of Salem were dinner guests at the Richard Bosenstrater home in Niles, Ill., Saturday, Feb. 4.

Feb. 15 Deadline For Car Licenses

Only about one week now remains before the deadline of midnight, Wednesday, February 15, for displaying 1967 license plates on motor vehicles, Secretary of State Paul Powell reminded motorists today.

At this late date, no assurance can be given to motor vehicle owners submitting their applications by mail that their plates will arrive in time for the deadline, Mr. Powell said.

In some cases, two weeks have elapsed from the time the plates were placed in the mail in Springfield and the time they reached their destinations, he said.

To give motorists every opportunity to meet the deadline, the three Motor Vehicle Facilities in Chicago and two over-the-counter outlets in Springfield will be open all day Saturday, February 11, and Monday, February 13, Secretary Powell said. Other Divisions of the Secretary of State's office will be closed February 12 in observance of Lincoln's birthday.

Slate World Day Of Prayer

A World Day of Prayer will be held Friday, Feb. 10, at the Antioch Methodist Church. Pot luck lunch will be served at 12:30, followed by the Prayer Service.

Lake Villa and Ingleside Methodist Churches are invited to both the luncheon and the services.

transactions at the window and make the service more efficient.

He urged Antioch residents to assist in this effort, by stating their needs clearly, and having money and any necessary filled-out forms ready for transactions. The Postmaster explained that demands on window personnel, who must deal with a wide variety of information, forms and varying services, are usually very heavy, and postal customers can assist them in meeting the new service goals by being as brief and business-like as possible.

THE ANTIOCH NEWS 5 THURSDAY, FEBRUARY 9, 1967

Wins Homemaker of Tomorrow Title

Miss Paula Franke, daughter of Mr. and Mrs. Emil Franke, Route 2, Kenosha, has earned the highest rating in Salem Central high school in the 1967 Search for the American Homemaker of Tomorrow.

She will be entitled to wear the Homemaker of Tomorrow charm and her examination paper will automatically be entered in judging for the State Homemaker of Tomorrow. Paula is now eligible for possible state and national scholarship awards. This is the 13th year of the Betty Crocker Search for the American Homemaker of Tomorrow which was initiated in 1954-55 by General Mills to emphasize the importance of homemaking as a career.

The 581,334 girls and 14,753 schools registering for the 1967 Search established a new record for the program.

Tryouts For PM&L Play

Tryouts for the April production of "The Remarkable Mr. Pennypacker," directed by Josef Hunley, will be held Sunday, Feb. 12, from 2 to 3 p.m. and Monday, Feb. 13, at 8 p.m. at the PM&L Theatre, 877 Main St., Antioch.

The play is a comedy and there are 20 roles to fill. Six children, ranging from 8 to 16 years of age, are needed, and there are many good character roles. No previous experience is required—just that big desire to be in a play.

Set Jubilee Meeting Date

The next meeting to consider plans for the Diamond Jubilee for Antioch will be held at the village hall at 8 p.m. Tuesday, Feb. 14.

The group rejected the plan to hire a professional promotion company to plan Jubilee events at their last meeting. Anyone interested is invited to attend.

"Free snow, No Limit, Take all you want" reads this sign placed on Antioch's Main St. by a facetious merchant.

Chosen Homemaker Of Tomorrow

A. Fran Gregg ranked first in a written homemaker knowledge and aptitude test given to senior girls Dec. 6 and becomes Antioch Community High School's 1967 Betty Crocker Homemaker of Tomorrow. It has been announced. Registered for the tests were 581,334 girls in 14,743 of the nation's high schools, a new record for the 13 years the program has been offered by General Mills, its sponsor.

Fran will be awarded a specially designed silver charm, and she remains in contention for state and national scholarship awards ranging from \$500 to \$5,000.

In the program's next step, a state Homemaker of Tomorrow will be selected from winners in all schools of the state. She will receive a \$1,500 college scholarship, and her school will be given a set of Encyclopedia Britannica by Encyclopedia Britannica, Inc. The state runner-up's award will be a \$500 scholarship.

Following her selection, the State Homemaker of Tomorrow, together with a

school adviser, will join winners and advisers from each of the 49 other states and the District of Columbia in an expense-paid educational tour of Colonial Williamsburg, Va., and Washington, D.C. Climax of the trip will be the naming of the 1967 Betty Crocker All-American Homemaker of Tomorrow.

QUEEN OF DIAMONDS...

(continued from page 6)

gracefully narrowed volume at the top.

For evening, hair is dressed into rolling wave movements, and a hair piece is added for volume at the crown. Soft professional permanent waving and expert hair-shaping give the style its freshness and easy wear.

If you dip the roasting fork in butter before sliding the marshmallow on it and hold the fork level while toasting, the marshmallows will slip easily off the fork.

Over 800 million of the more than one billion children need UNICEF's aid.

Symbol of Better Health

Lenten Services Start Sunday

Members of the Pilgrim Fellowship are again sponsoring Lenten Sunday evening services at the Millburn Congregational Church during Lent. The services will be at 7:30 p.m., unless otherwise announced.

Sunday evening, Feb. 12, Athol Raymond Jennings, a World Fellow at the Chicago Theological Seminary, will be the speaker.

Mr. Jennings was ordained as a Methodist minister in 1962. He is a native of South Africa. Since 1963 he has been chaplain and coach at Kearsney College. He was a member of the South African team taking part in the Olympic games at Helsinki in 1952 and has held the title in the mile for a number of years. He is at the Seminary studying in the area of Christian Education.

Campus News

ON DEAN'S LIST

Marilyn Gras, daughter of Mr. and Mrs. Frederick Gras, Rt. 4, Box 74, Antioch, has been named to the Dean's list at Carroll College.

Donald A. Blackman, 1026 Laursen Court, Antioch, was named to the Dean's list at the University of Denver for high scholastic achievement during the fall quarter of the 1966-67 academic year.

WEAR THE PROMISE OF SPRING IN YOUR HAIR!
IT'S
NATIONAL BEAUTY SALON WEEK
FEB. 12-18

New Spring Hair Styles Feature The Diamond Look

The Diamond Look is the new look in hair styles for Spring, according to the Official Hair Fashion Committee of the National Hairdressers and Cosmetologists Association. True, this diamond has its points rounded softly, but in a hair style, this gives a tall, slender look with soft width at the sides.

The new hair styles will be shown throughout the nation

in observance of National Beauty Salon Week, February 12-18. According to the hair fashion authorities, they will really put the promise of Spring in your hair.

The diamond shape is most visible from the front view. Hair is dressed closely to the head at the ears, and then width is extended softly outward above the brows, tapering in again to a gracefully

narrowed volume at the top. From the side, hair hugs the nape, extending width at the back crown area, and then rounding the top gently to balance the profile with all of the charm of an Old World cameo.

In most of the new Diamond Look styles, hair is dressed upward and off the forehead. An open face look is expected to be established definitely by summer. However, wherever hairlines require, or brows are overly dominant, softly curved bangs come to the rescue.

Generally, hair is dressed into a combination of rolling wave movements and scroll overlays. Soft pillows of wave movements give width to the sides and crown areas. Day coiffures are usually dressed into more curve than curl, but evening styles burst out dramatically in freely formed waves and curls.

Hair pieces and wiglets are used freely for the crown areas, for both day and evening. However, evening styles are emphasized with greater detail and volume. In all coiffures, no hair piece is allowed to trail any lower than an inch below the nape. Important for the buoyancy and gentle softness of the new style is a specially blocked professional permanent wave, specifically suited for your hair. Highly important, too, is hair conditioning to give every gleam of brilliance and lustre to your hair for the Diamond Look.

Haircutting must be done professionally for the Diamond Look. Cut requires expert sectioning of your hair into

diamond patterns. Furthermore, some areas need a blunt cutting procedure for a swinging freedom in your hair, and other areas need a special shaping and soft cushioning.

Hair length at the nape area is approximately zero to two inches for an adaptably slender look. Hair at the sides is longer, depending upon your needs, to accommodate the added width above the eyebrows. Front hair length is approximately four and a half inches, graduating to approximately seven inches at the crown. The longest hair is at the top and crown of the head. The sides, front and nape hair must be shaped to give a close-to-the-head hug.

The new styles also require Diamond hair coloring, a soft blinding of basic colors that gives hair the appearance of a prismatic play of lights. New basic shades for Spring are warm beige, accented with light silvers or cream browns. Also popular will be the red—dark browns accented with pink beige or coffee cream tones, and blacks lightly sparkled with natural wood tone beige. In all colors, the tones are blended softly and gently, no harshness can be tolerated.

Spring make-up calls for a soft matte finish, though a knowing group of the younger set will wear a moist look for sports wear. Creamy beige and light tan skin tones will match harmonizing base colors of the hair. Eyebrows will be light and lifted in keeping with the Diamond Look in hair styles. Eyes will delight in color with soft, natural pastel colored shadows and splashes of sparkle for evening. Jeweled lashes, frequently rhinestones, will make evening news, as will colored lashes, including zebra and tiger stripes, and metallic sheens. Lips will be outlined for a more vivid look in pink, orange and touches of lavender. Rouge will be worn high on the cheekbone, blended toward the hairline and up to the eyebrow.

A possible new touch for parties, soft colors of enamel for the teeth!

The Marquise Coiffure, a favorite for spring. (photo courtesy of N.H.C.A.)

Clare's Beauty Salon

Clara Merryman is the owner of Clare's Beauty Salon at 400½ Lake St., in Antioch. Clara and Gail DeVore are the beauty operators and Candy Meyers is the shampoo girl.

Clara has been six years in the Antioch area and has been at the Lake St. location since August 24, 1965.

"A scalp treatment is a help in keeping your hair lovely," Clara says. "The heat in homes causes a lot of trouble in the winter. It's as bad as the sun in the summer. It causes a lot of skin dryness and wrinkling."

"I use a scientific protein formula for scalp treatments," she said. "For the skin dryness—well, come in and have a facial."

Clara offers all the beauty aids in addition to hair dressing—facials, eyebrow arch-

ing, pedicures. "The pedicures will go over big in the summer," she says. "You don't need one very often."

She offers wigs and wiglets for the woman who wants a change, too. "I cut the wigs right on the head," she said, "then I'm sure they're right."

The hard water in this area is another trouble maker for skin and scalp, she says. And

Marquise Coiffure-

The tall, slender silhouette of the Marquise Coiffure form the perfect shape of a marquise cut gem. It is one of the new Diamond Look hair fashions for Spring, designed by the Official Hair Fashion Committee of the National Hairdressers and Cosmetologists Association, and will be shown throughout the nation during National Beauty Salon Week, February 12-18.

Very new is its open forehead look with hair dressed upwards to emphasize the slender form. New, too, is the gentle width at the sides

Flo's Beauty Shop

Are you in a rut? Have you been wearing your hair in the same style for so long that you're tired of your own reflection in the mirror?

A good place to go for a new hair style is Flo's. Even beauty operators can get in a rut, Flo says. That's why she and her staff go to the Midwest Beauty Show in Chicago.

They see all the new hair styles there, and learn how to achieve them, from stylists who come from all over the United States. This year the Show will be held February 12-18.

Flo Heiselmann is the owner of Flo's Beauty Shop, at Route 59 and Grass Lake Road. Working with her are

Kathy, Joy, Marge and Helen. Flo has been a beauty operator about eight years, the last three in her own shop. Advice for women who want lovely hair? "I wish we could convince them that they'd save themselves a lot of grief and money if they came to us in the first place for permanents and dye jobs," Flo said. "There's always a lot of them who'll try to do it at home, then come to us to undo the damage they've done."

Short and high in the crown is the new trend, Flo affirms, but people won't necessarily follow it. "They will wear their hair the way they think it suits them best," Flo said.

Fascination

This is the time of year to brighten up that winter-weary ego, and what better place to start than at the local beauty parlor?

One of the local beauty emporiums is Fascination, out at the corner of Route 59 and Beach Grove Road. Loretta Miller is the owner of the place.

Very short, and piled high in the crown, is the style for spring, says Loretta. The style lends itself perfectly to wiglets and falls. "Of course,

women will modify the styles to suit themselves," Loretta said. "Not everyone looks good in the same style."

Everyone likes to try a change of hair color now and then, or brighten their natural color. Loretta has a new machine which magically speeds up the bleaching process. No more of that long, boring wait with your hair a goopy mess. Five minutes under the new machine, and you're done.

Try the Queen of Diamonds Coiffure

A slender look with soft width at the sides marks this Queen of Diamonds Coiffure as one of the new Diamond Look hair fashions that will put the promise of Spring in your hair.

Designed by the Official Hair Fashion Committee of the National Hairdressers and Cosmetologists Association, it will be shown throughout the nation during National Beauty Salon Week, February 12-18, dedicated to more beautiful women.

From the front and back, its silhouette has a diamond shape. Soft curves are dressed closely to the head at the ears, then width is extended gently outward above the brows, tapering in again to a

Jacque's & Georgia's

Jacque's and Georgia's Beauty Shop is at the corner of Rtes. 59 and 173. Georgia Adams and Jacque Casella are partners in the shop. Assisting them in keeping the locks of Antioch women in trim are June, Merle, Nancy 1 and Nancy 2.

Jacque and Georgia have been beauty operators for many years, about 11 years in the Antioch area. Georgia worked in Jacque's shop before becoming a partner three years ago.

"We attend the Beauty Shows in Chicago twice a year," Georgia says. "It refreshes your talent, keeps you up on the styles."

The wiglets, particularly, will continue to be popular, they said. They give a woman a chance to alter her coiffure, even with the shorter cuts. "After all, there have always been hair pie-

ces," they continued. "Only now, women don't try to hide the fact that they're wearing them—they want you to know it."

Contrasting shades in wiglets will be more popular this year, said Georgia. "The new two and three colors for a hair-do—I'm all for it. I love it. Brown, streaked with other shades. Blonde, shaded into brown—it's most attractive."

Georgia has a word of warning for women with graying hair who are getting it dyed. "Always go to a lighter shade than your hair used to be," she says. "A darker shade will make your face look hard."

They both sell and style the wigs and wiglets at Jacque's and Georgia's. So try a new hair-do for the coming of spring, ladies. It will give your spirits a lift.

Sequoits 10-0 In Conference Play

The Antioch Sequoits snatched a last-minute victory over Grant in overtime play at the Antioch gym last Friday night.

With the Antioch gym packed to the rafters with highly vocal fans, and many turned away, the Sequoits rallied in the fourth quarter to bring the game to a 52-52 tie, and send the game into overtime.

During the first three quarters Grant dominated the play, with Oler and Sam Reimers leading the way. Oler had 23 points and Reimers 11 by the end of the third quarter and the Sequoits couldn't buy a rebound.

Down by seven at the end of the third quarter, the fighting Sequoits took the bull by the horns and started to play some fine defense, limiting Grant to only four points the final 8 minutes. The team also started to rebound some, and Tyrone Walls rang the bell for four baskets out of five shots, most of them 20 to 25-footers. With this spark, the game ended, 52-52.

As the overtime started, Antioch controlled the tip and Walls promptly sunk a 20-footer to give the Sequoits the lead. Grant's Oler countered with a basket to tie it up again.

Walls got a screen from Jerry Whitson and shot an 18-footer to move Antioch ahead again. Grant controlled the ball for a minute and a half, only to miss the shot. Don Zeman got the all-important rebound.

With 35 seconds left in the game, the Sequoits stalled out the time, but with 2 seconds left Steve Miklausch was fouled. He sank his two free throws for the final 58-54 victory for Antioch.

Jerry Whitson, injured during the week with a sprained ankle, played about one-half the game. Sheldon started the game and filled in, playing some fine defense and scoring seven points.

Walls led the scoring for both teams, with 31 points, the third time he has passed the 30 mark. His outside shooting was a big factor in the Sequoits' victory.

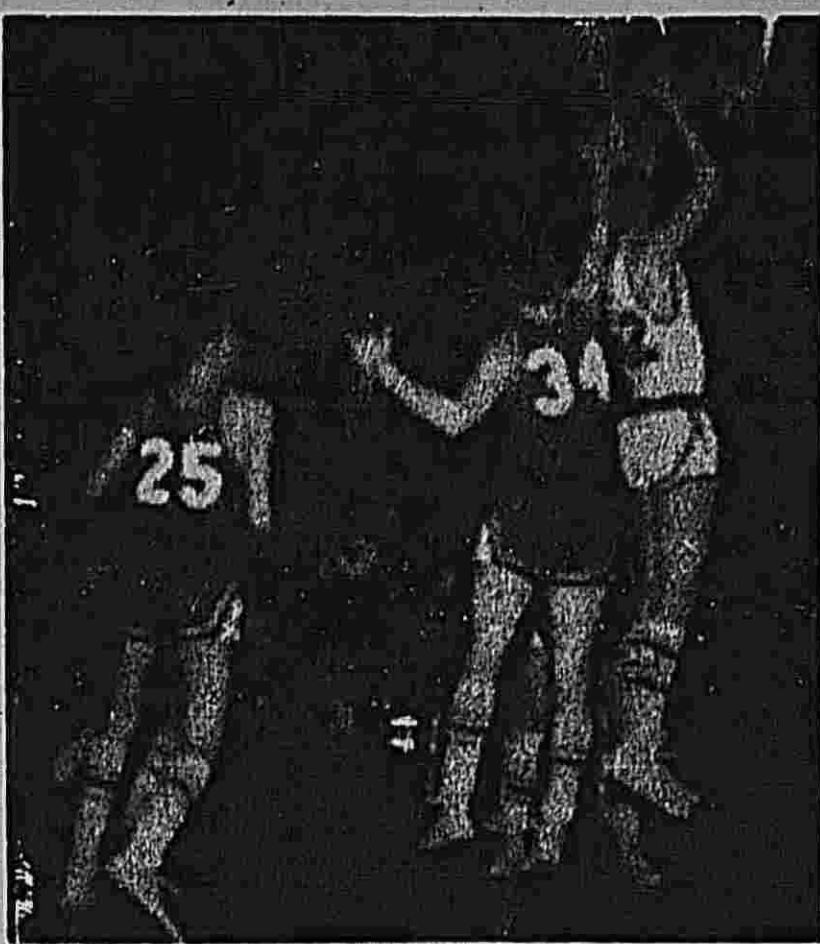

Lee Oler led the Grant players, scoring 29 points. The rebounding department was led by Grant's Oler and Reimers, with 28 between them.

Walls had 8 rebounds for Antioch, Empfield 7 and Zeman 7. Oler and Reimers recovered more rebounds than the entire Antioch team.

Coach Andrews says, "Best we work on rebounding and rebounding position again—we don't have the desire to go after the ball. We think someone else will get it for us. After this real scare, I'm sure the boys will hit the board again like they should and can."

ANTIOCH 49, NORTH CHICAGO 73

The Antioch Sequoits received a lesson in basketball Saturday as they ran into an excellent North Chicago Chicago team. The spark

Antioch's Bruce Empfield goes high in the air in an attempt to push the ball through the hoop, shutting out a Grant player close behind him.

was just not there for Antioch, and North Chicago was on fire, with Harmon, Woods and Rowell leading the way.

The Sequoits fell behind at the start, 12-4, but rallied to trail 14-10 late in the first quarter, only to catch a bad break which North Chicago turned into an 18 to 10 lead at the end of the first quarter.

North Chicago jumped out to a 38-22 lead in the second quarter, but Antioch rallied again with 8 straight points, to draw within 8 points of the Warhawks. Then Woods dropped a 40-footer two seconds before the half ended, to make it 40-30 at the half.

Antioch dropped off in the third quarter, hitting only one of 8 shots and being outscored 16 to 4. Walls again distinguished himself, leading the Sequoits with 22 points and ten rebounds. For the Warhawks, Woods and Rowell each had 10 points. Wood led the rebounding with 13. North Chicago had 35 rebounds and Antioch 29. Don Zeman played a fine steady game for Antioch. Whitson played the game on a sprained ankle.

Coach Roger Andrews said, "I'd like to thank the Antioch fans for their fine spirit and attendance at the games. We're sorry for the way we let the people down at North Chicago." The school also would like to acknowledge the receiving of an apology from one of the game officials for his unsportsmanlike gesture at the game Saturday evening.

Friday, Feb. 10, the Sequoits will meet Warren at the Antioch gym. The sophomore game starts at 7 p.m., the varsity about 8:30 p.m. Saturday, Feb. 11, the Sequoits travel to Round Lake.

N.C. Breaks Sophs Winning Streak

The Antioch Sophs made it four in a row last Friday night, defeating Grant 61 to 51, before falling to North Chicago, 29 to 27, in overtime Saturday night.

In Friday night's action the Sophs jumped off to a 15 to 8 first quarter lead. They increased their lead in both the second and third quarters, leading at halftime 33 to 15, and at the end of three quarters 48 to 25. With Antioch's reserves playing the last quarter, Grant cut the final margin to ten points, 61 to 51.

NORTH CHICAGO 29, ANTIOCH 27

Saturday night's action saw both teams playing rather deliberately. North Chicago moved ahead 7 to 4 at the end of the first quarter, to lead 12 to 9 at halftime.

Antioch trailed at the end of three quarters, 19 to 17. With about two minutes left to play the score was North Chicago 25, Antioch 22.

Storming back, the Sophs took the lead, 27 to 25 with

17 seconds left to play. North Chicago tied the score on a jump shot from the side with the clock running out.

In the overtime, North Chicago got the top and immediately scored. Antioch was unable to score in the overtime.

Coach Bob Yonke commented, "Certainly, I was disappointed in losing to North Chicago, but I was proud of the way the boys played, especially on defense."

FIND 14-YEAR OLD DEER

Over 90 per cent of the deer taken by Illinois sportsmen are less than 4½ years old. A white tail has about one chance in 50 of living to be eight years old, according to information gathered by biologists.

But now and then one beats the odds and lives to a ripe old age.

During the 1966 season, Ed Meadows of Noble, dropped a doe with an old tag in her ear.

Jack Calhoun, leader of the deer project for the Illinois Department of Conservation, reported that the animal had been trapped and tagged on the Horseshoe Lake Refuge and released in Wayne County 14 years ago. Her age at the time she was trapped was not known.

Good Fishing In Florida

Fishing in the Metropolitan Miami Fishing Tournament on a recent vacation in Florida, Bob Becker of Antioch won angling recognition for landing a 10 lb. Redfish in the Spinning division. He fished out of Chokoloskee on the West Coast. He will receive a citation for his outstanding catch.

IHSA Tourney To Be Telecast

A colorful ending is assured for the 60th annual Illinois high school basketball tournament this year. The 16th telecast of the semi-final and final games will be shown in color for the first time by WGN-TV (Channel 9) on Saturday, March 18. Albert Willis, Executive Secretary of the Illinois High School Association announced today. Illinois Bell Telephone will sponsor the telecast from the University of Illinois' 16,000 seat assembly hall in Champaign.

The two quarter-finals on Friday night, March 17, will

Cadet White Gets Award

Cadet Captain Clifford E. White, the son of Mr. and Mrs. Chester C. White of Rt. 2, Antioch, recently received the Distinguished Military Student Award at the University of Montana.

The award was given by the University of Montana ROTC department. It is the highest honor a cadet can attain in the ROTC program. The award is given for outstanding service and character displayed during the four years he participated in the program.

Local Student Winner In Magazine's Test

Antioch High School has announced that Mary D. Strom has been named the local winner in TIME's 31st annual Current Affairs Contest. Other high-scoring local students include: Bruce Muir and Gary Stahl.

TIME's Current Affairs Test, given this year to more than 3 million college and high school students in the U. S. and Canada, consists of 100 questions on national and foreign affairs. Also included are such categories as business, sports, entertainment, science, religion, literature and the arts.

The test, created for the TIME Education Program—an exclusive classroom service of TIME magazine—has been taken by nearly 10,000,000 students since its inception 31 years ago.

Top scorers receive a certificate from James H. Shepley, Publisher of TIME, The Weekly Newsmagazine.

Lenten Worship at Faith Ev. Lutheran Church

Pastor David M. Ponath of Faith Ev. Lutheran Church announces that the Passion Season will be observed at their congregation in six special Wednesday evening services, beginning February 8th. The services start at 7:30 p.m.

The theme for the Lenten worship will be Profiles of the Passion. The schedule is as follows:

Feb. 8 — Judas — Profile of Treason. The Junior Choir will sing—Come to Calvary's Holy Mountain.

Feb. 15 — Peter — Profile of Denial. The Junior Choir will sing—O Dearest Jesus, What Law Hast Thou Broken.

Feb. 22 — Caiaphas — Profile of Unbelief. The Upstairs Sunday School will sing—Stricken, Smitten, and Afflicted.

March 1 — Herod — Profile of Religious Trifling. The Lutheran Pioneers and

Lutheran Girl Pioneers will sing—Jesus Refuge of the Weary.

March 8 — Pilate — Profile of Lost Opportunity. The Downstairs Sunday School will sing — Glory Be to Jesus.

March 15 — The Dying Thief — Profile of Repentance. The Junior Choir will sing — Alas, and Did My Savior Bleed.

March 23, Maundy Thursday — The Cup — Profile of Salvation.

March 24, Good Friday — The Empty Cross — Profile of Reconciliation. The Junior Choir will sing—Lord, Jesus, Thou Art Going Forth, and Go to Dark Gethsemane.

The people of the community are invited to attend the worship services and to hear these special messages. The church is located on Route 83, 2 blocks south of junction with 173.

Senior At U. of Wis.

Robert Hansen, Route 4, Antioch, is among the 3,600 members of the Senior Class of 1967 of the University of Wisconsin at Madison who have their pictures in the senior section of the 1967 "Badger", the student yearbook at the University.

The 500-page "Badger" yearbook will be distributed late in the spring. Its 1967 editor is Toni Walter, Brookfield; its business manager, Harry McHugh, New York. Published annually since 1885 by Wisconsin students on a self-supporting basis, the 1967 "Badger" contains thousands of photos of Wisconsin students and student groups, campus scenes and activities, faculty and staff members, recording the story of the 1966-67 school year.

Sequoit Grapplers

This week-end the Antioch wrestling squad, coached by Mr. Neuman, will be at Grayslake on Friday and Dundee on Saturday. The varsity, which is posting a 7-3 record, are being paced by sophomore Wilford Dello, (9-1), junior Wayne Hanson (9-1) and junior Bruce Knutson (8-2). The varsity has beaten Irving Crown, Zion Benton, Lake Zurich, Cary Grove, Salem, Warren and Round Lake, while losing to Lake Forest, Grant and McHenry.

Mr. Neuman feels his squad can take third in conference and possibly second. "All the boys have shown

improvement, the other teams may be due for a surprise, Mr. Neuman commented. Other boys doing outstanding jobs are Chuck Diemer, Dan White, Bruce Megleo, Bob Diemer, Mike Wells, Bill Revell, Dan Miller, Larry Davis and Howard Zimmerman. Wayne Hanson and Wilford Wells are team co-captains for the season.

Sophomores
The underclass grapplers are presently holding a 9-1 record, dropping one to Lake Forest. The team is being lead by Mike Patterson (165). He has a 7-2 record. Others who are on this fine team are: Dennis Pleviak, John Meyer, Gary Aerne, Paul Lulofs, Chuck Matson, Don Gaa, Larry Wells, Bob Valentine, Jack Hamm, Bob Weeks, Bill Weeks, and Bill Dow.

Even the coaches get in the act.

Under The Tepee

Hi Gang,

Well Christmas is over and the new year has started. Congratulations to Christmas formal royalty Queen Debbie and King Chuck. They reigned in one of the most beautiful settings the seniors have designed. Well done. Just teach Drij how to unroll a carpet, huh?

Our Sequoits are starting out the new year right by keeping up an unblemished conference record. Keep it up, boys, and don't anyone forget to come out and see a great game. By the way, how long has the dress at Tony & Lill's on Saturday been formal?

Everyone be sure you're out of the halls eighth hour. That first detention's a rough one, isn't it Bonnie?

Have all you seniors finished your Moby Dick papers, yet? Better hurry!

Has anyone seen "Little brother Billy" around lately? Want to send out "Little Sequoit" get wells to Mrs. Tulumello, in Victory Memorial Hospital, and Tom Tossey, who's at home and gets to school every morning when Mr. Raymond plugs him in.

Bonjour Antoine.

Good luck to our band this weekend as they perform in

Peoria. Listen to 'em sometime because they're really terrific. Also to our choir who will perform in Lake Forest Saturday.
Until next time,
Little Sequoit

Sequoits Undeclared In Conference, 7-0

The fighting Sequoits of Antioch are still on the war path. After beating four conference teams before Christmas, the Sequoits returned to scalp their last three foes before ending the first round.

Last Jan. 6 the Sequoits invaded the home of the Warren Blue Devils and made things really "hot" for them. Although the score 89-67 indicates a real runaway, the Sequoits had to really hustle to beat the scrappy Devils. The score was 42-29 at half time but Warren got hot and closed the gap to 58-40 at the end of three quarters. This is when the Sequoits began to move. With a 31 point fourth quarter the Sequoits closed the door on the Blue Devils and beat them with an impressive score.

Special mention must be given to the play of Bruce Empfield, a 6'5" junior center, who is starting to come into his own now. Bruce was a main cog in the Sequoits' offensive attack with 23 points and also turned in a fine defensive game.

Friday the thirteenth, was it really unlucky? It was if you were a Round Lake Panther fan (heaven forbid). The Antioch Sequoits mounted their greatest scoring output thus far this season when they completely tamed the Panthers by the score of 102-71. The Sequoits put on a great display of team effort with all but one of the Sequoits scoring a point or more. The Sequoits started out fast with a first quarter score of 25-4. This was just an indication of things to come. The Sequoits kept up this torrid pace all through the game and killed the Panthers' hope of victory.

Coach Roger Andrews, never a man to run up a

score, took the starters out late in the third quarter. The improvement that Mr. Andrews wanted from his bench was achieved. The reserves were playing inspired ball and they really produced. Al Alexander gets the credit for breaking the century mark by sinking two free throws for the 100th and 101st points. Credit must be given to Al for those two shots since the "pressure" was on him from both the anxious players on the bench and the great turnout of spectators who were chanting for 100 points. Every championship club must have the team effort that Antioch displayed Friday.

Again leading the way for the Sequoits was Tyrone Walls with 31 points. Bruce Empfield hauled down 17 big rebounds to add to the cause. The other double figure scorers were J. Whitson 13; B. Empfield 12, S. Miklautsch 12.

The latest "scalp" that Antioch has taken in their quest for the Conference Championship was a little "hairy." It was that of a Bulldog, the Wauconda Bulldog. Playing a type of game that drives a fast moving team crazy, Wauconda managed to keep the score down and the game close, but by all means not exciting. Wauconda employed their typical ball-control game and waited for the percentage shot. Wauconda, shooting a good 49 from the field, compared to our poor 29 percent had upset "written" all over their faces. The Sequoits were not to be denied though. With Don Zeman leading the way with the game scoring honors and also the most rebounds, the Sequoits stayed out of reach of the "Dogs" and came out on the long end of a 55-48 score.

Student Council

It is surprising how many students do not know what services and things Student Council plans for our school. To remedy this situation, they are trying to get a committee for lectures in the freshman homerooms. This is starting at the foundation — so the freshmen will understand the purpose of Student Council and be interested in what they are doing. Student Council sponsored Homecoming almost entirely by themselves. Now, they are planning a Computer Dance at Grant High School. Grant is going to take care of the expenses and the preparation. The dance will probably be held in the late spring.

\$183.96 was collected for the Christmas Food Baskets. They gave seven \$15 food baskets and are planning to spend the rest for food baskets for Easter. Almost all the members worked for the March of Dimes on January 7, when they collected \$190. Of the profits made from the Student Council sponsored movie, 10% will go to the AFS fund.

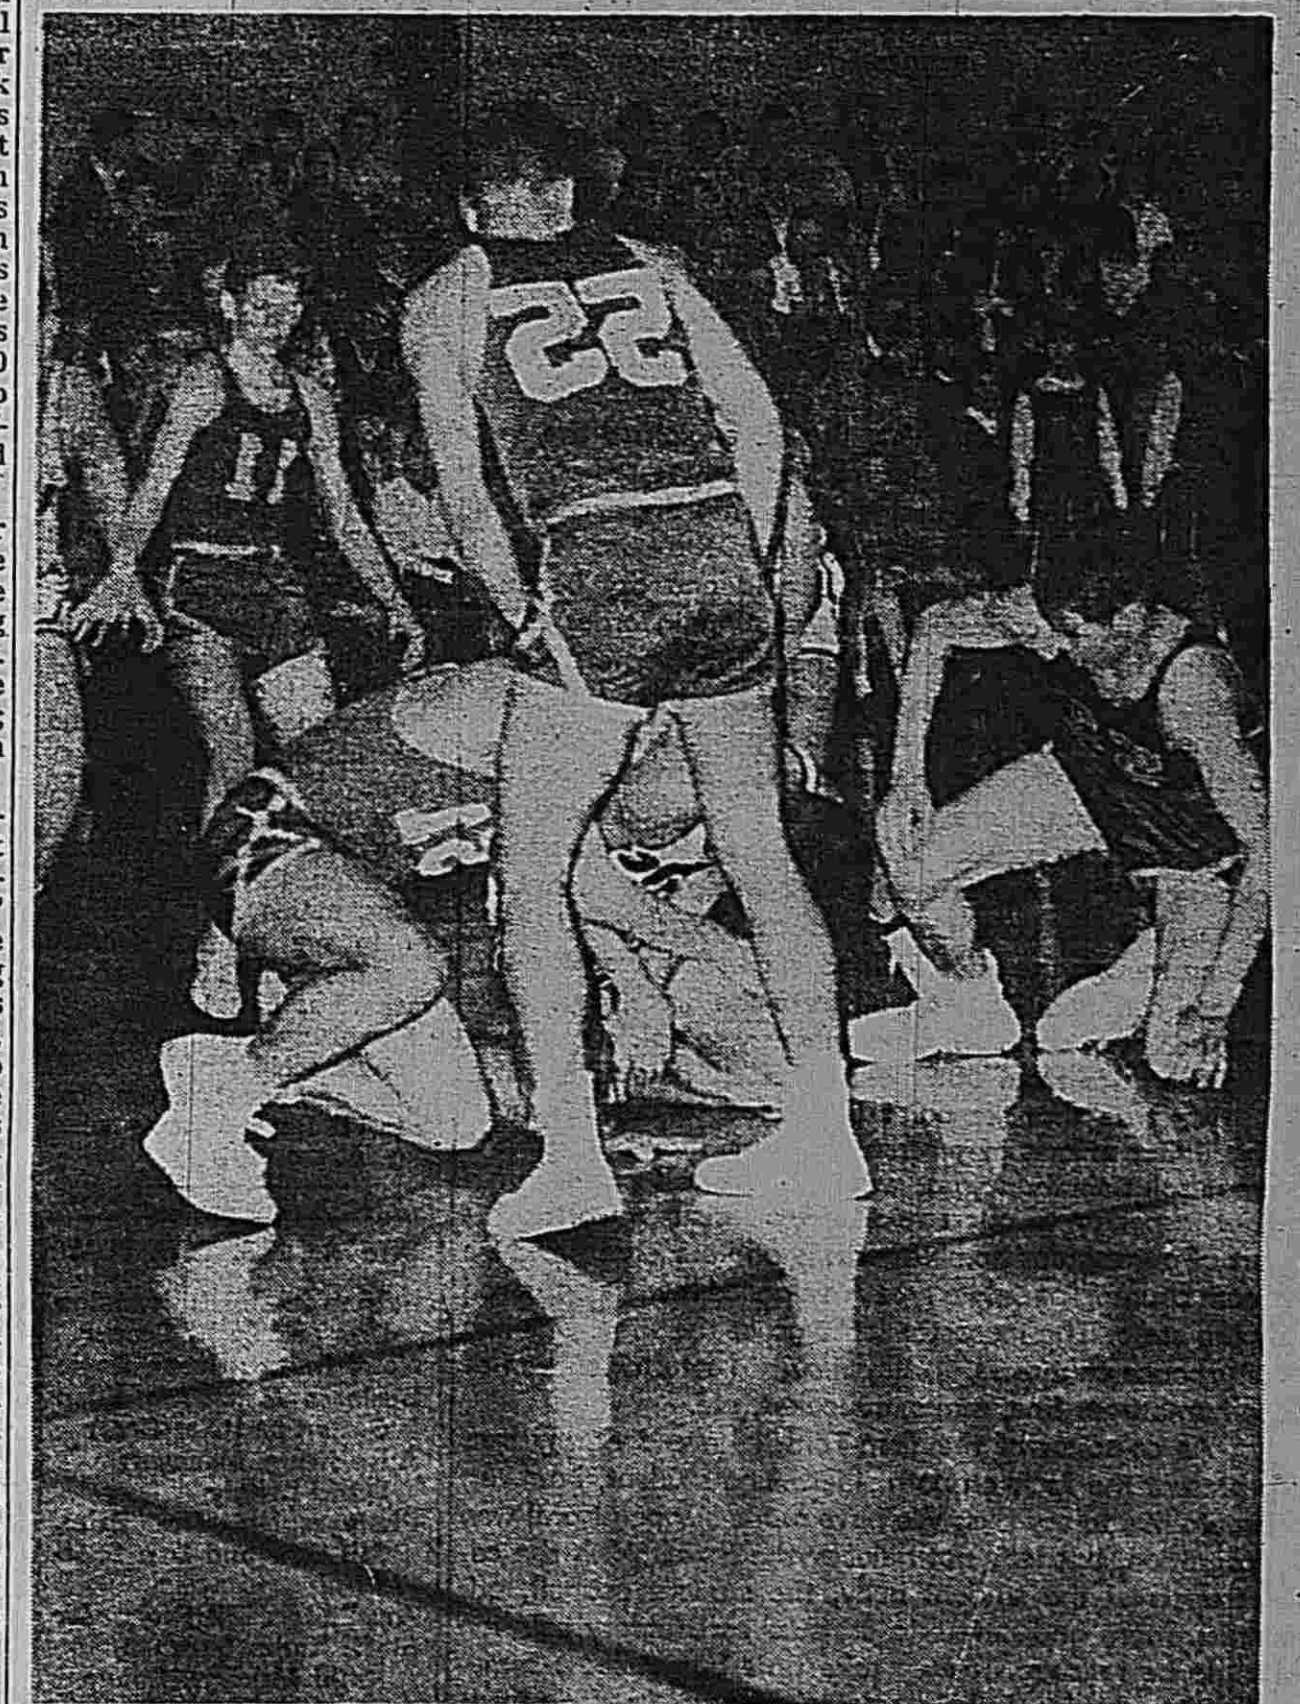

The Council has bought the plaques for the Homecoming floats. They would like to have a special assembly to present these prizes. With the agreement of the administration, the Council would like to have some more educational assemblies, with Bell Telephone and

Prominent Pre-Grad

Debbie Rzyko

Debbie Rzyko is the captain of our Color Guard, and is in GAA and Pep Club.

On Dec. 23 Debbie was crowned Christmas Formal Queen. She plans to go to Northern University at DeKalb.

Her pet peeves are two-faced people, teachers who have a grudge, milk, and people that don't laugh at her jokes.

When asked what kind of a name Rzyko was, she said, "a pretty good one personally." Really, though, she has great difficulty in getting it

other companies sending representatives.

pronounced and spelled correctly.

Her advice to freshmen is to study hard now—so you can go to the college of your choice.

A.F.S. Student

Would you like to be an American brother or sister to next year's Foreign Exchange Student?

The AFS is no longer too stringent in demanding strict qualifications for the foster parents as far as material conveniences are concerned. They have found that what

the student needs most is a home with love.

The AFS would like to have the foster home determined by February 15th. If you would like to be the American brother or sister, talk it over with your parents and then contact Mr. Williams, Mrs. Mapethorpe, Mr. Merrill, or Mrs. Hansen, of the high school staff, or Reverend Nelson of Lindenhurst or Mrs. Leslie Sorenson of Antioch.

A one-armed right-handed pitcher, Hugh Daly, won 74 games and lost 88 between 1882-87. He pitched a 1-0 no-hitter for Cleveland against Philadelphia in 1883.

Sequoit Grapplers

This week-end the Antioch wrestling squad, coached by Mr. Neuman, will be at Grayslake on Friday and Dundee on Saturday. The varsity, which is posting a 7-3 record, are being paced by sophomore Wilford Dello, (9-1), junior Wayne Hanson (9-1) and junior Bruce Knutson (8-2). The varsity has beaten Irving Crown, Zion Benton, Lake Zurich, Cary Grove, Salem, Warren and Round Lake, while losing to Lake Forest, Grant and McHenry.

Mr. Neuman feels his squad can take third in conference and possibly second.

"All the boys have shown

improvement, the other teams may be due for a surprise, Mr. Neuman commented. Other boys doing outstanding jobs are Chuck Diemer, Dan White, Bruce Megleo, Bob Diemer, Mike Wells, Bill Revell, Dan Miller, Larry Davis and Howard Zimmerman. Wayne Hanson and Wilford Wells are team co-captains for the season.

Sophomores
The underclass grapplers are presently holding a 9-1 record, dropping one to Lake Forest. The team is being lead by Mike Patterson (16-5). He has a 7-2 record. Others who are on this fine team are: Dennis Pleviak, John Meyer, Gary Aerne, Paul Lulofs, Chuck Matson, Don Gaa, Larry Wells, Bob Valentine, Jack Hamm, Bob Weeks, Bill Weeks, and Bill Dow.

Dave grimaces as he takes his next hold.

Under The Tepee

Hi Gang,

Well Christmas is over and the new year has started. Congratulations to Christmas formal royalty Queen Debbie and King Chuck. They reigned in one of the most beautiful settings the seniors have designed. Well done. Just teach Drij how to unroll a carpet, huh?

Our Sequoits are starting out the new year right by keeping up an unblemished conference record. Keep it up, boys, and don't anyone forget to come out and see a great game. By the way, how long has the dress at Tony & Lill's on Saturday been formal?

Everyone be sure you're out of the halls eighth hour. That first detention's a rough one, isn't it Bonnie?

Have all you seniors finished your Moby Dick papers, yet? Better hurry!

Has anyone seen "Little brother Billy" around lately? Want to send out "Little Sequoit" get wells to Mrs. Tulumello, in Victory Memorial Hospital, and Tom Tossey, who's at home and gets to school every morning when Mr. Raymond plugs him in.

Bonjour Antoine.

Good luck to our band this weekend as they perform in

Can You Imagine?

Janet Pachay — with short blond hair
Bonnie Krakowski—not with Jim Nauseda

Sequoits Undefeated In Conference, 7-0

The fighting Sequoits of Antioch are still on the warpath. After beating four conference teams before Christmas, the Sequoits returned to scalp their last three foes before ending the first round.

Last Jan. 6 the Sequoits invaded the home of the Warren Blue Devils and made things really "hot" for them. Although the score 89-67 indicates a real runaway, the Sequoits had to really hustle to beat the scrappy Devils. The score was 42-29 at half time but Warren got hot and closed the gap to 58-40 at the end of three quarters. This is when the Sequoits began to move. With a 31 point fourth quarter the Sequoits closed the door on the Blue Devils and beat them with an impressive score.

Special mention must be given to the play of Bruce Empfield, a 6'5" junior center, who is starting to come into his own now. Bruce was a main cog in the Sequoits' offensive attack with 23 points and also turned in a fine defensive game.

Friday the thirteenth, was it really unlucky? It was if you were a Round Lake Panther fan (heaven forbid). The Antioch Sequoits mounted their greatest scoring output thus far this season when they completely tamed the Panthers by the score of 102-71. The Sequoits put on a great display of team effort with all but one of the Sequoits scoring a point or more. The Sequoits started out fast with a first quarter score of 25-4. This was just an indication of things to come. The Sequoits kept up this torrid pace all through the game and killed the Panthers' hope of victory.

Coach Roger Andrews, never a man to run up a

score, took the starters out late in the third quarter. The improvement that Mr. Andrews wanted from his bench was achieved. The reserves were playing inspired ball and they really produced. Al Alexander gets the credit for breaking the century mark by sinking two free throws for the 100th and 101st points. Credit must be given to Al for those two shots since the "pressure" was on him from both the anxious players on the bench and the great turnout of spectators who were chanting for 100 points. Every championship club must have the team effort that Antioch displayed Friday.

Again leading the way for the Sequoits was Tyrone Walls with 31 points. Bruce Empfield hauled down 17 big rebounds to add to the cause. The other double figure scorers were J. Whitson 13; B. Empfield 12, S. Miklautsch 12.

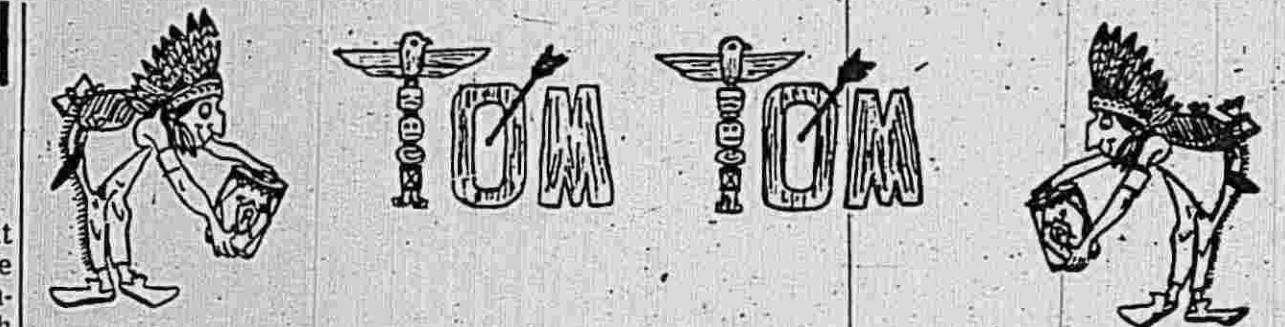

The latest "scalp" that Antioch has taken in their quest for the Conference Championship was a little "hairy." It was that of a Bulldog, the Wauconda Bulldog. Playing a type of game that drives a fast moving team crazy, Wauconda managed to keep the score down and the game close, but by all means not exciting. Wauconda employed their typical ball-control game and waited for the percentage shot. Wauconda, shooting a good 49 from the field, compared to our poor 29 percent had upset "written" all over their faces. The Sequoits were not to be denied though. With Don Zeman leading the way with the game scoring honors and also the most rebounds, the Sequoits stayed out of reach of the "Dogs" and came out on the long end of a 55-48 score.

Student Council

It is surprising how many students do not know what services and things Student Council plans for our school. To remedy this situation, they are trying to get a committee for lectures in the freshman homerooms. This is starting at the foundation — so the freshmen will understand the purpose of Student Council and be interested in what they are doing. Student Council sponsored Homecoming almost entirely by themselves. Now, they are planning a Computer Dance at Grant High School. Grant is going to take care of the expenses and the preparation. The dance will probably be held in the late spring.

\$183.96 was collected for the Christmas Food Baskets. They gave seven \$15 food baskets and are planning to spend the rest for food baskets for Easter. Almost all the members worked for the March of Dimes on January 7, when they collected \$190. Of the profits made from the Student Council sponsored movie, 10% will go to the AFS fund.

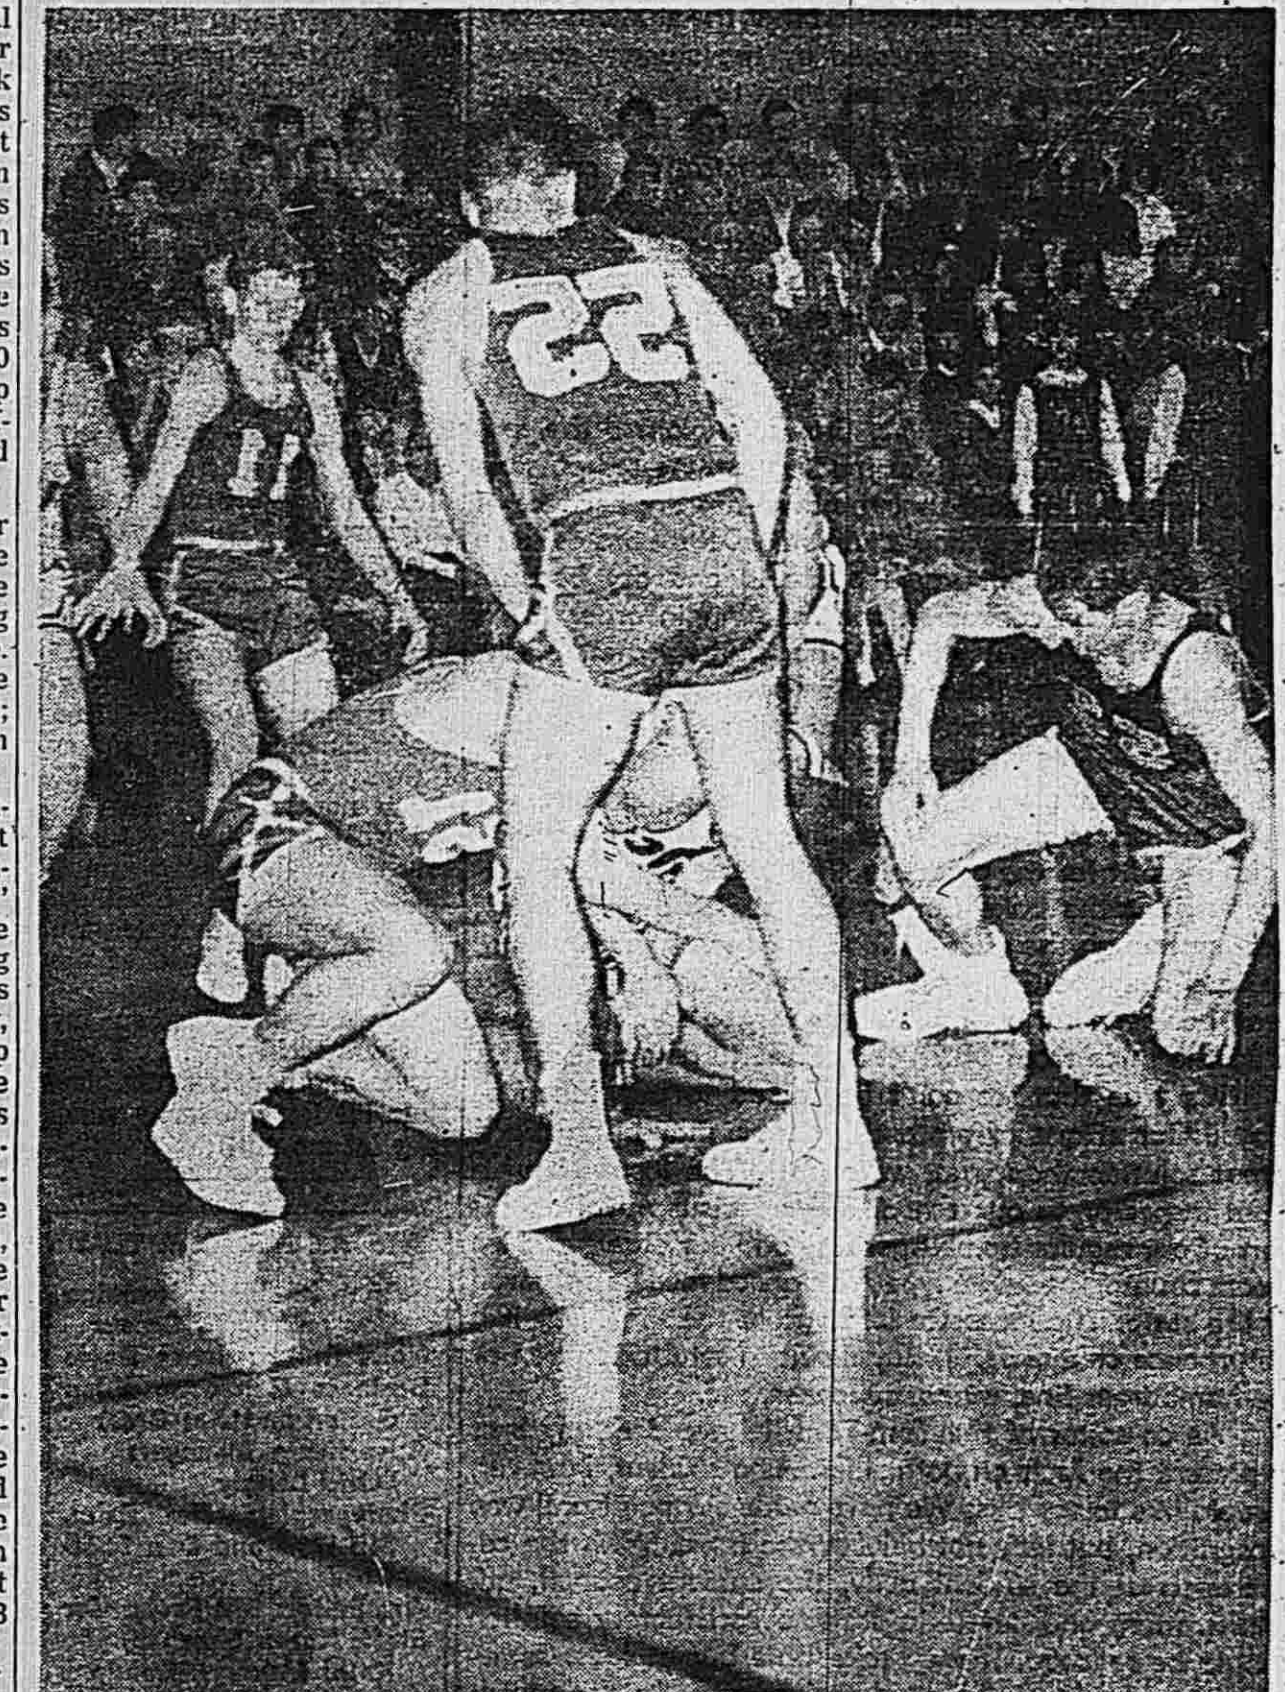

The Council has bought the plaques for the Homecoming floats. They would like to have a special assembly to present these prizes. With the agreement of the administration, the Council would like to, have some more educational assemblies, with Bell Telephone and

Sophomore basketball team fights on.

Prominent Pre-Grad

Debbie Rzyko

Debbie Rzyko is the captain of our Color Guard, and is in GAA and Pep Club.

On Dec. 23 Debbie was crowned Christmas Formal Queen. She plans to go to Northern University at DeKalb.

Her pet peeves are two-faced people, teachers who have a grudge, milk, and people that don't laugh at her jokes.

When asked what kind of a name Rzyko was, she said, "a pretty good one personally." Really, though, she has great difficulty in getting it

other companies sending representatives.

pronounced and spelled correctly.

Her advice to freshmen is to study hard now—so you can go to the college of your choice.

A.F.S. Student

Would you like to be an American brother or sister to next year's Foreign Exchange Student?

The AFS is no longer too stringent in demanding strict qualifications for the foster parents as far as material conveniences are concerned. They have found that what

the student needs most is a home with love.

The AFS would like to have the foster home determined by February 15th. If you would like to be the American brother or sister, talk it over with your parents and then contact Mr. Williams, Mrs. Maplethorpe, Mr. Merrill, or Mrs. Hansen, of the high school staff, or Reverend Nelson of Lindenhurst or Mrs. Leslie Sorenson of Antioch.

A one-armed right-handed pitcher, Hugh Daly, won 74 games and lost 88 between 1882-87. He pitched a 1-0 no-hitter for Cleveland against Philadelphia in 1883.

DOG N' SUDS

One and One-Half Mi. West of Antioch on Route 173

Sequoit Boycott Stirs Broth

Tuesday, January 17 marked the beginning of a three-day demonstration by a large percent of the students against the lunches served in the cafeteria. This action was taken because the students mistakenly believed their petition had been ignored. The administration and faculty felt that the students had a right to protest if they honestly did not like what was being served. They did, however, object to the method that the students used. The right method, as suggested by the student council advisor, Mr. Brown, would have been to bring the problem before the student council and arrange for a meeting between the student council, administration, and the cafeteria staff. For those students who don't know, the petition never got to the student council until last Friday, which gave the cafeteria no time to suggest a solution.

Some of the complaints by students were: dry hamburger buns, dry cold hamburgers, uncooked french fries, and the price hike.

The head dietitian, Mrs. Brown, explained the reasons for the condition of the food and suggested possible improvements. She said that the buns are dry because of the hot dry ovens but they could steam the buns to keep them soft. The hamburgers are cold and dry because they have to be cooked in the morning in order to be ready for the swarm of 400-600 hamburger eaters a day. She said she will try the suggestion of putting a hot gravy over them to keep them warm and juicy. She explained that since french fries are hard to cook when the potatoes are out of season, there was little she could do there.

Contrary to popular belief, the price hike does NOT make a profit for the cafeteria. The prices may seem outrageous, but the Lake County School Board don't think so. Even though the price of food in general has gone up, the food commodities received from the State, especially meat, has been cut down. The only way to break even was to up the price from which the cafeteria gets no profit.

It's true that we can't be forced to buy lunch at school. Our efforts of protest, however, may bring a different solution than what we expect. The last visit of a state inspector to our school showed disapproval on his part of our regular hamburger line and our desert and ice cream counter, as only a type A balanced meal is approved by the state. The inspector let it go at the time. But if a disturbance continues, it may result in total dissolution of the hamburger line, malts, cupcakes, etc.

As co-editor of the Tom-Tom, I have done my best to present the facts on both sides. As a student, however, I would like to say this: We have made our point and won recognition, but let's not belabor the issue. With the co-operation of the student body, the student council, administration, and cafeteria staff, a satisfactory solution should be reached. It may take time but at least something has come of the students' protest. In the meantime, there is no reason why we should starve, now that we know action is being taken.

How The Honor Roll Is Figured

Many inquiries have been made in the office as to how the High and Low Honor Rolls are calculated. This is a simplified explanation of how it is done:

An A is worth five points, a B four points, a C three points, a D two points, and an F one point. If a student is carrying four solid subjects, all four grades are counted. No P.E., Band, Choir, or Safety Education grades are averaged.

When five major subjects are being carried, all five grades are counted. The total is then divided by five.

The answer is multiplied by four. This number is then used as the basis for the Honor Roll.

To be placed on the High Honor Roll, a student must obtain at least 18 points and no grade lower than a B. Sixteen points is necessary for the Honor Roll with no grade lower than a C.

The distance between the pitcher's mound and home plate before 1884, when hurling was underhand, was only 45 feet. It is now 60½ feet.

North Dakota at one time passed an anti-snuff law.

Tom Tom's Staff New Year's Resolutions

I will not walk out of History class when I get bored . . . I will climb out of the window. (result: since my History class is on the second floor, it's better to walk out of the room instead.)

I will not pass notes during class . . . I will fly paper planes instead. (result: since I was in History class (second floor), it flew out the window. Now find it better to behave myself in class!)

I will not run wildly through the halls when I am late . . . I will bring roller skates. (result: roller skates proved to be dangerous: I find a go-kart much better.)

I will not bribe my friends for test answers . . . I will threaten them. (result: this didn't work—I bruise easily. Anyhow, my friends are busy trying to get answers from me!)

I will not draw pictures in my English notebook . . . I will draw them in the English textbook. (result: I find that this didn't work out as I thought, since I owe \$3.50 for it now.)

I will not bribe my teachers when they send me a failing notice . . . I will go cry to my mother. (result: My mom is as afraid of the teachers as I am.)

I will not cry when my teachers scold me . . . I will throw another tantrum. (result: I'll let you know when they let me out!)

Dear Lurch

Should a junior girl go out with a sophomore or a freshman?

Very Confused

I see no reason why you can't. Everybody else does.

Lurch

Dear Lurch
I can't seem to get this guy to ask me out, and I want to go out with him very much. What shall I do?

Dateless

Dear Dateless
The best way is to ask your mother how she treated your dad.

Lurch

What do you think of teen-age drinking?

Alcoholic Unanimous

Dear Alcoholic Unanimous

I think it is very ridiculous.

Lurch

Dear Lurch

I've got a problem. I like this beautiful freshman girl, BUT her mother won't let me go out with her. What can I do?

Dear . . .

I'd say you've got a real problem, if you can in any way convince her mother how wonderfully nice, and gentle you are, you'll be lucky.

Lurch

INVEST in your future through SAVINGS

The present is part of the future for those who are saving regularly for a specific purpose. Education, business, marriage, a home . . . all call for an accumulation of money for full realization.

Regular saving is something everyone should practice. Make a down payment on your future today . . . open an insured State Bank of Antioch Savings Account.

State Bank of Antioch
Antioch, Illinois

1965 royalty Pat & Robin perform their last duty.

Christmas Formal

On December 23, 1966, the senior class presented their annual Christmas Formal, with this year's theme: "Twas the Night Before Christmas." This year's formal was especially nice for the fact that it was free to those students who ordered their tickets ahead of time. The decorations were put up by the senior class and one of their creations was the spotlights on the lolly pops and peppermint sticks in the snow in the courtyard. At around 10:00 P.M. was the coronation and Chuck Bista and Debbie Rzyzsko were crowned king and queen. Their attendants were: Pam Hagstrom, Donna Motley, Nicki Nissen, Margie Madsen, Tim Osmond, Al Osterlund, Stan Horton, and Dick Vitek. Music was provided by the Tophatters and everyone there had an enjoyable and momentous evening.

Debbie receives Santa's good wishes.

Competition Is . . .

The early morning race to the bathroom.

Trying to get good grades like your older sister.

Liking the same guy as your best friend.

Getting home before curfew.

First in line in the cafeteria.

Getting a better grade than

the smartest one in your class.

First one out of the door when the bell rings after your last hour.

Traffic accidents are the leading cause of death among persons from ages 5 to 31, the President's Committee for Traffic Safety reports.

Desirable Traits for Date

Recently a poll was taken concerning desirable traits for the girl or boy whom you date. Two of Mr. Merrill's classes participated, both of which had similar results. The poll contained 20 traits which were to be listed in order of importance. Two of the most interesting traits were closely rated by both classes: "Is a good mixer" and "Does not use liquor." Another closely ranked but puzzling pair was "Is clean thinking" and "Knows how to behave in public and elsewhere."

Hmm?

1. Treats you with respect and is thoughtful and kind.

2. Belongs to my race.

3. Is easy to talk to and can take part in a conversation.

4. Is neat in appearance.

5. Has a good sense of humor.

6. Has good manners.

7. Makes the other feel important and that he or she is nice to be with.

8. Can be a lot of fun.

9. Knows how to behave in public and elsewhere.

10. Has a variety of interests.

11. Wants to succeed in life.

12. Is clean thinking.

13. Is a good sport.

14. Is liked by the members of both sexes.

15. Believes in law and order.

16. Is interested in people.

17. Is a good mixer.

18. Does not use liquor.

19. Has the same religious beliefs.

20. About the same amount of schooling.

EXAMINATION SCHEDULE

Thursday, January 26, 1967

Period	Time	Exam
